John Currence is one of the most celebrated and well-loved chefs in the South. Among his string of highly successful restaurants in Oxford, Mississippi, Big Bad Breakfast holds a special place in diners' hearts. It is a gathering place where people from all walks come together to share the most important meal of the day: breakfast. Southerners know how to do breakfast right, and Currence has elevated it to an art form. Dishes like Banana Pecan Coffee Cake, Spicy Boudin, and Poached Eggs and Oyster Pot Pie are comforting, soulful, and packed with real Southern flavor. Big Bad Breakfast is full of delicious recipes that will make the day ahead that much better, not to mention stories of the wonderful characters who fill the restaurant every morning and a meditation on why the Southern breakfast is one of America's most valuable culinary contributions. *Treme* **Lolis Eric Elie**, 2013-07-23

Far from being just a gimmicky marketing ploy, *Treme* is an engaging representation of the cuisine of modern-day New Orleans. Fascinating. *The Austin Chronicle*. Inspired by David Simon's award-winning HBO series *Treme*, this celebration of the culinary spirit of post-Katrina New Orleans features recipes and tributes from the characters, real and fictional, who highlight the Crescent City's rich foodways. From chef Janette Desautel's own Crawfish Ravioli and LaDonna Batiste Williams's Smothered Turnip Soup to the city's finest Sazerac, New Orleans cuisine is a mélange of influences from Creole to Vietnamese, at once new and old, genteel and down-home, and in the words of Toni Bernette, seasoned with delicious nostalgia. As visually rich as the series itself, the book includes 100 heritage and contemporary recipes from the city's heralded restaurants, such as Upperline, Bayona Restaurant, August, and Herbsaint, plus original recipes from renowned chefs Eric Ripert, David Chang, and other *Treme* guest stars. For the six million who come to New Orleans each year for its food and music, this is the ultimate homage to the traditions that make it one of the world's greatest cities. Food, music, and New Orleans are all passions about which it seems to me all reasonable people of substance should be vocal. This book gives voice to the characters, real and imaginary, whose love and deep attachments to a great but deeply wounded city should be immediately understandable with one bite. **Anthony Bourdain**

**Southern and Smoked: Cajun Cooking through the Seasons** Jarred I. Zeringue, 2022-05

In South Louisiana, food is more than just sustenance. It is a way to bring friends and family together and it connects us to our history and our culture. Few places are more tied to these culinary roots than Louisiana's River Parishes, which stretch along the levees of the Mississippi River between New Orleans and Baton Rouge. Here, the many cultures and diverse people who call the area home—Cajun, Creole, German, French, Spanish, African, and Native American—have mingled to produce a rich tradition of harvesting the largesse that Louisiana provides all year long. That abundance is crafted into delectable dishes by the families who have cultivated these lands for generations. Chef Jarred Zeringue celebrates this seasonal bounty in this approachable guide to Cajun cooking. Featuring the flavors and culture he learned alongside his mother, grandparents, and many aunts and uncles, Jarred offers an intimate window into how his family, like so many in Louisiana's River Parishes, cook from the land using the freshest ingredients in a lifestyle that embodies the
