

**New
Expanded
4th Edition**

This diagram illustrates the exploded view of a mechanical assembly, possibly a pump or actuator. The main component is a large, complex housing with a central cylindrical section and a base. Various internal and external parts are shown in their relative positions, including a control lever with a handle, a series of internal rods and pistons, and a set of external components like a valve and a spring. The diagram is rendered in a technical, line-art style with a light beige background.
