Elicitation William Vitelli, 2011-08-29 Eileen was happy to begin a new life with her new husband Visions of fairy tales and happily ever after filled her head as the wife of a wealthy and handsome architect she thought she would have everything she ever wanted And she did though not quite in the way that she might have imagined Her husband Anthony seeing beneath her repressed exterior someone who wanted nothing so much as to be kidnapped and carried away by pirates set out to train her as his new sex slave whether she wanted it or not What followed was an intensive introduction into a new world she could scarcely have imagined
