Emissary Legends Of The Realm Book 1:

Emissary (Legends of the Realm Book #1) Thomas Locke, 2014-12-30 Hyam is a likeable lad who will make a fine farmer someday But he carries a burden few can fathom As his mother slips toward death she implores him to return to Long Hall where he spent five years as an apprentice It was there that Hyam's extraordinary capacity for mastering languages came to light and soon cast him into the shadows of suspicion How could any human learn the forbidden tongues with such ease When Hyam dares to seek out the Mistress of the Sorceries her revelation tears his world asunder He has no choice but to set out on the foreboding path which beckons him to either his destiny or his doom An encounter with an enchanting stranger reminds him that he is part hero and part captive As Hyam struggles to interpret the omens and symbols he is swept up by a great current of possibilities and dangers With lyrical prose that unveils a richly imaginative world Thomas Locke takes readers on a journey into the Realm There he invites them to awaken their sense of wonder This cracking adventure moves like a contemporary thriller but harkens back to the enduring genre of classic fantasy

Merchant of Alyss (Legends of the Realm Book #2) Thomas Locke, 2015-12-29 Life for Hyam is bittersweet Admired by the citizens of Falmouth for his heroic rescue mission he cherishes these peaceful days with Joelle by his side Yet grief over the loss of his magical skills during the great Battle of Emporis threatens to engulf him Sometimes he even wishes he had never known magic at all When Hyam comes into possession of an ancient Milantian scroll he is thrilled to feel the surge of power that courses through him whenever he touches it But what he discerns in the text could mean war He embarks upon another journey to determine its true meaning and forestall any attack But as Hyam is seeking answers he is unaware that the merchant of Alyss is seeking him

The Golden Vial (Legends of the Realm Book #3) Thomas Locke, 2018-03-20 Lady Shona the newly crowned queen of the realm is a leader without a throne Pursued relentlessly by a dark force her small contingent of loyal followers must make a difficult choice flee or fight Determined to save her land from nefarious threats Lady Shona decides that she must seek out the enemy and attack them head on a strategy that leads back to the region of the Three Valleys where Hyam was born Alas Hyam has been struck by a mysterious illness that is silently sweeping through the realm Known as the wasting disease the sickness has no cure But there is one shred of hope for Lady Shona and the realm and it comes in the most unlikely of forms A young orphan untested and untrained could well mean the difference between victory and total defeat Thomas Locke concludes his epic trilogy with a gripping tale of courage that will inspire readers to persevere even when all seems lost

The Captive (Ebook Shorts) (Legends of the Realm) Thomas Locke, 2014-11-04 The only remnant of Joelle's former life is her name The only hint of her future is a foreboding vision of darkness And her only hope is a man she has yet to meet One of the last of a disappearing race Joelle spends her days as a prisoner of the Long Hall sweeping corridors and dusting scrolls while young wizards learn to ply their trade In the dark of night she practices the magical arts that are forbidden to one of her kind hoping to soon break the spell that holds her captive But an evil is growing beyond the enchanted stone walls Joelle

will need much more than her own skills to escape it Someone is coming for her And when he arrives he will change everything This short ebook excerpted from Emissary gives you a magical glimpse into the Realm and the heroes who will stop at nothing to save it Jewish Lore in Manichaeism John C. Reeves,2016-07-23 A work entitled the Book of Giants figures in every list of the Manichaean canon preserved from antiquity Both the nature of this work and the intellectual baggage of the third century Persian prophet to whom it is ascribed remained unknown to scholars until 1943 when fragments of several Middle Iranian versions of the Book of Giants were published by W B Henning Twenty eight years later at Qumran J T Milik discovered several copies of a fragmentary Aramaic work which is unquestionably the precursor of the later Manichaean recension One other important work Mani s autobiography the so called Cologne Mani Codex was brought to scholarly attention in 1970 with evidence that Mani spent his youth among the Elchasaites a Judeo Christian sect that observed the Sabbath strict dietary laws and rigorous purification practices Although leading Orientalists of the nineteenth and twentieth centuries have consistently stressed the Iranian component in Mani s thought Reeves argues in the light of evidence drawn from the above mentioned discoveries and from a rich panorama of other textual sources that the fundamental structure of Manichaean cosmogony is ultimately indebted to Jewish exegetical expansions of Genesis 6 1 4 Reeves begins with an examination of the ancient testimonies about the contents of Mani s Book of Giants Then using documents from Second Temple Judaism classical Gnostic literature Christian and Muslim heresiological reports Syriac texts and Manichaean writings he provides a detailed analysis of both the Qumran and Manichaean rescensions of the work demonstrating additional interdependencies and suggesting new narrative arrangements He addresses a series of quotations from an unnamed Manichaean source found in a paschal homily of the sixth century Monophysite patriarch Severus of Antioch and a narrative from Theodoret bar Konai In sum Reeves demonstrates that the motifs of Jewish Enochic literature in particular those of the story of the Watchers and Giants form the skeletal structure of Mani s cosmological teachings and that Chapters 1 to 11 of Genesis fertilized Near Eastern thought even to the borders of India and China *Monographic Series* Library of Congress,1978 **The Athenaeum** ,1910 **Athenaeum and Literary Chronicle** ,1910 **Library of Congress Catalogs** Library of Congress, The Shadow of Malabron Thomas Wharton,2010-09-07 Malabron the Night King seeks to turn all stories into one his story a nightmare of absolute power When Will Lightfoot a rebellious teenager stumbles into the Perilous Realm where all stories come from he is unwillingly caught up in the struggle against this ancient evil Aided by some of the Storyfolk including the feisty Rowen her grandfather Pendrake the loremaster Finn Madoc a knight in training and Shade the wise and loyal wolf Will must set out on a dangerous journey and face a host of perils if he is ever to find the gateless gate that will take him home This is high fantasy on a grand scale which imaginatively intertwines well known stories with Will s quest to weave an unforgettable adventure *Ars Quatuor Coronatorum* ,1929 *The Literary World* ,1879 Encyclopaedia of Religion and Ethics: Suffering-Zwingli James Hastings,John Alexander Selbie,1922
