Using Social Science to Understand and Improve Wildland Fire Organizations Gregory Larson, 2007 The wildland fire community has spent the past decade trying to understand and account for the role of human factors in wildland fire organizations Social research that is relevant to managing fire organizations can be found in disciplines such as social psychology management and communication However such research has been published primarily for scientific and business audiences and much of the fire community has not been exposed to it Here we have compiled and organized knowledge from a variety of social science disciplines so that it can be used to improve organizational practices related to firefighter and public safety to assess the effectiveness of safety campaigns and to improve firefighter safety trainings This annotated reading list summarizes approximately 270 books articles and online resources that address scientific and management concepts helpful for understanding the human side of fire management The first section Human Factors and Firefighting introduces readers to key workshops and writings that led to the recognition that human factors are prime ingredients of firefighter safety The second section Foundations for Understanding Organizations consists of social

science research that provides a foundation for understanding organizational dynamics This section includes readings on decision making and sensemaking organizational culture identification and identity leadership and change organizational learning and teams and crews The third section Understanding Organizations in High Risk Contexts explores organizations that deal regularly with risk uncertainty and crisis This section includes readings on risk and uncertainty high reliability organizing and crisis communication The publication concludes with Internet resources available for those interested in the management of fire organizations

Running a Nurture Group Simon Bishop, 2008-04-22 This resource would have enormous value for all who are considering developing nurture provision within their school as it provides a clear overview of the practical considerations involved and provides guidance on the tools that need to be devised This well thought out resource will reduce the workload for all those setting up groups and be a real confidence giver to all Nurture leaders SNIP

What an excellent book Running A Nurturing Group does exactly what it says in the title and much more The layout and framework must make it one of the most accessible books ever Every chapter states its intention unfurls and then is concisely summarised at the end Then we have questionnaires tick lists case studies and PowerPoint presentations just what tired teachers need to take on a new body of knowledge There is a wonderful balance of practical suggestions and theory at all the times you feel you are in the hands of a dedicated researcher and practitioner Jenny Mosley Founder of Quality Circle Time

Running a Nurture Group is a worthwhile book full of useful ideas and resources for nurture group practitioners Simon Bishop is a skilled nurture group practitioner and he links his contemporary practical experience to the wider range of ideas and thinking that inform and underpin nurture group work in a helpful and accessible style I am delighted to commend this important addition to the increasing literature on nurture groups Jim Rose Director The Nurture Group Network

Setting up and running a Nurture Group in your school is an effective way to improve the quality of educational provision for every child not just for those with special educational needs This practical book is especially useful for those new to the idea of Nurture Groups It offers a clear structure for making a Nurture Group work effectively and provides tried and tested photocopiable resources to support the whole process The author o explains how and why Nurture Groups work o shows how all children s social emotional educational development improves o gives practical advice on setting up and running a Nurture Group o tells you how to assess and monitor the children s progress o supplies materials to use when leading INSET sessions with colleagues o provides lots of photocopiable resources on an accompanying CD Rom An inspirational read for all teachers and support staff this book will appeal to anyone working with children who have emotional and behavioural difficulties
