Faith In Rhyme Volume 2:

Faith in Rhyme J. D. Baskin, 2013-12-03 Faith in Rhyme Volume 2 presents a second compilation of writings by author and poet J D Baskin After completing his first Faith in Rhyme poetry collection Baskin continued to awaken from a sound sleep in the middle of the night with thoughts of new poem titles and verses pertaining to his Christian faith As the rest of the world slept more delightful and insightful faith rhymes were birthed with the hopes of encouraging both fellow believers and Truth seekers The 70 poems found in this volume are divided into five sections with each section containing a message of faith His highly relatable topics include God Sized Faith Poems about the nature of God and the attributes that make Him worthy of our faith Guiding Faith Encouragement and advice for fellow believers Biblical Faith Bible stories with a message for today s world Saving Faith A call to sinners to repent and embrace the salvation message of the gospel Forever Faith Living with an eternal perspective and setting our sights on heaven Baskin utilizes poetry to share his Christian views and convictions yet his humility is evident throughout He does not see himself as a Bible authority but merely as a humble believer willing to be God s instrument with poetic words Readers will be blessed by the sincere poetry of J D Baskin

Neither Belief nor Unbelief Sona Grigoryan, 2022-12-19 The book re examines the religious thought and receptions of the Syrian poet Ab l Al al Ma arr d 1057 and one of his best known works *Luz m m l yalzam* The Self Imposed Unnecessity a collection of poems which although widely studied needs a thorough re evaluation regarding matters of un belief Given the contradictory nature of al Ma arr s oeuvre and *Luz m* in particular there have been two major trends in assessing al Ma arr s religious thought in modern scholarship One presented al Ma arr as an unbeliever and a freethinker arguing that through contradictions he practiced taq ya i e dissimulation in order to avoid persecution The other often apologetically presented al Ma arr as a sincere Muslim This study proposes that the notion of ambivalence is a more appropriate analytical tool to apply to the reading of *Luz m* specifically in matters of belief This ambivalence is directly conditioned by the historical and intellectual circumstances al Ma arr lived in and he intentionally left it unsolved and intense as a robust stance against claims of certainty Going beyond reductive interpretations the notion of ambivalence allows for an integrative paradigm in dealing with contradictions and dissonance

Czesław Miłosz's Faith in the Flesh Stanley Bill, 2021 A study of the writings of Polish laureate Czeslaw Milosz s that focuses on the poet s attempts to recover perspectives on transcendence and religious belief in a secular age through creative engagement with sensual or material experience

Fire of Mercy, Heart of the Word, Vol 2 Erasmo Leiva-Merikakis, 1996-01-01 To the unstudied eye St Matthew s gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is In his third volume of meditations on Matthew chapters 19-25 Erasmo Leiva continues to show Matthew s prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent but rich with meaning Leiva s work

is scholarly but eminently approachable by the lay reader The tone is very much of taste and see how good the Lord is and an invitation of friend come up higher The goal of the book is to help the reader experience the heat of the divine heart and the light of the divine Word Leiva comments on the Greek text demonstrating nuances in the text that defy translation He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus **Sound**

Intentions Peter McDonald, 2012-11-22 The rhymes in poems are important to understanding how poets write and in the nineteenth century rhyme conditioned the ways in which poets heard both themselves and each other writing Sound Intentions studies the significance of rhyme in the work of Wordsworth Keats Tennyson Christina Rossetti Hopkins and other poets including Coleridge Byron Elizabeth Barrett Browning Swinburne and Hardy The book's stylistic reading of nineteenth century poetry argues for Wordsworth's centrality to issues of intention and chance in poets work and offers a reading of the formal choices made in poetry as profoundly revealing points of intertextual relation Sound Intentions includes detailed consideration of the critical meaning of both rhyme and repetition bringing to bear an emphasis on form as poetry's crucial proving ground In a series of detailed readings of important poems the book shows how close formal attention goes beyond critical formalism and can become a way of illuminating poets deepest preoccupations doubts and beliefs Wordsworth's sounding of his own poetic voice in blank verse as well as rhyme is here taken as a model for the ways in which later nineteenth century poets attend to the most perplexing and important voicings of their own poetic originality Poems on

Isaac Watts David W. Music, 2022-06-20 The hymns of Isaac Watts are a remarkable blend of biblical theological liturgical poetic musical and practical dimensions some of which have seldom been touched upon in previous studies of the hymn writer In this book you will find analyses of Watts s texts from each of these perspectives As shown by this study it is not only these individual factors but their combination that made Watts s hymns innovative but also effective and long lasting in his own time and that makes many of them still useful and widely sung today Bookseller and the Stationery Trades' Journal, 1888

Forms of faith Jonathan Baldo, Isabel Karremann, 2017-06-12 This book explores the role of literature as a means of mediating religious conflict in early modern England Marking a new stage in the religious turn that generated vigorous discussion of the changes and conflicts brought about by the Reformation it unites new historicist readings with an interest in the ideological significance of aesthetic form It proceeds from the assumption that confessional differences did not always erupt into hostilities but that people also had to arrange themselves with divided loyalties between the old faith and the new between religious and secular interests between officially sanctioned and privately held beliefs What role might literature have played here Can we conceive of literary representations as possible sites of de escalation Do different discursive aesthetic or social contexts inflect or deflect the demands of religious loyalties Such questions open a new perspective on post Reformation English culture and literature
