**Austral English** Edward Ellis Morris,1898      **Austral English, a dictionary of Australasian words, phrases and usages** Edward Ellis Morris,1898      **A Flying Affair** Carla Stewart,2015-06-02 Ever since Mittie Humphreys agreed to join dashing barnstorming pilot Ames for a joyride in his airplane her lifelong love of horses has been surpassed by one thing a longing for the skies It seems she s not the only one with Charles Lindbergh making his victory tour in the Spirit of St Louis aviation fever is spreading across the country Mittie knows flying is the perfect focus for the soaring ambition and taste for adventure within her and whenever she can slip away from her duties on her family s prosperous Kentucky horse farm she heads to the airfield Considering their shared passion it s no surprise that Ames begins to vie for Mittie s time But when handsome British aviator Bobby York offers her flying lessons he is equally surprised and beguiled by Mittie s grit and talent Driven to succeed Mittie will do whatever it takes to compete in the Women s National Air Derby alongside Amelia Earhart But when Calista Peach Gilson a charming Southern belle becomes her rival both professionally and in love Mittie must learn how to navigate her heart s romantic longings as well as the skies      **Bee Craft** ,1927      **Birds of Australia** Iain Campbell,Sam Woods,Nick Leseberg,2014-11-09 The best photographic field guide to Australia s birds Australia is home to a spectacular diversity of birdlife from parrots and penguins to emus and vibrant passerines Birds of Australia covers all 714 species of resident birds and regularly occurring migrants and features more than 1 100 stunning color photographs including many photos of subspecies and plumage variations never before seen in a field guide Detailed facing page species accounts describe key identification features such as size plumage distribution behavior and voice This one of a kind guide also provides extensive habitat descriptions with a large number of accompanying photos The text relies on the very latest IOC taxonomy and the distribution maps incorporate the most current mapping data making this the most up to date guide to Australian birds Covers all 714 species of resident birds and regularly occurring migrants Features more than 1 100 stunning color photos Includes facing page species accounts habitat descriptions and distribution maps The ideal photographic guide for beginners and seasoned birders alike      Rosella, or Modern Occurrences Natalie Neill,2023-06-21 Mary Charlton s 1799 Rosella or Modern Occurrences is a fascinating novel that brokers between conservative and feminist ideas humour and horror and indulgence in and ridicule of sentimental tropes Written in imitation of Cervantes s Don Quixote 1615 and Lennox s The Female Quixote 1752 Rosella belongs to a large class of comic works in which female readers and novelists are satirized This edition not only addresses the gap in knowledge about Charlton s work but will be of particular interest to scholars working on the Romantic literary market of the 1790s especially Minerva Press publications The book engages with many of the themes explored in eighteenth century and Romantic literature from women s writing and female education to popular fiction and sensibility Accompanied by a new introduction by Professor Natalie Neill this title will be of great interest to students and scholars of literary history      *Canadian Women in the Sky* Elizabeth Gillan Muir,2015-11-14 Canadian
