How did the Black Death lead to the Renaissance?

**A** It made people give more money to the Church, and the Church used its wealth to sponsor artists.

**B** It inspired writers and painters to make art that celebrated life in order to make people feel better.

**C** When his brother died of the Black Death, Johannes Gutenberg inherited the print shop in which he would invent moveable type.

**D** It decreased the population, so each person could have more resources, creating economic prosperity.
