 city and part of the Florida Keys a chain of islands that stretches for about 290 km along the southern coast of Florida The
 city is located on the island of Key West which is about 4 km wide and 6 km long Key West is located about 150 km south of
 Miami and is the southernmost city in the continental United States Key West had a brief moment of independence in U S
 history In 1982 the island city declared independence as the Conch Republic Conch Repulik to protest against the U S
 government The protest arose due to the fact that border controls at the Florida Keys Bridge as part of the War on Drugs led
 to traffic disruptions and economic losses for the city The Declaration of Independence was accompanied by a humorous act
 in which a man in a pirate costume threw a two way radio keyboard at a U S customs officer after he announced the closure
 of the border Key West then declared its independence and declared war on the United States Although the conflict was
 quickly resolved the Conch Repulik has its place in history and is now part of the local culture and identity **Key West**
