

## Frog and Toad

Reader's Theater Script

Adapted from *The Garden* from Frog and Toad Together by Arnold Lobel

Narrator: Frog was in his garden. Toad came walking by.

Toad: What a fine garden you have, Frog.

Frog: Yes. It is very nice, but it was hard work.

Toad: I wish I had a garden.

Frog: Here are some flower seeds. Plant them in the ground and soon you will have a garden.

Toad: How soon?

Frog: Quite soon.

Narrator: Toad ran home. He planted the flower seeds.

Toad: Now seeds. Start growing.

Narrator: The seeds did not start to grow. Toad looked at the ground again.

Toad: Now seeds. Start growing.

Narrator: The seeds did not start to grow. Toad put his head very close to the ground and shouted.

Toad: NOW SEEDS, START GROWING.

Narrator: Frog came running up the path.

Frog: What is all this noise?

Toad: My seeds will not grow.

Tomorrow 400 Children's Books Every Storyteller Should Know Getting Started with Creative Drama and Reader's Theater  
 100 Children's Books Just Right for Creative Drama and or Reader's Theater     The Fundamentals of Play Caitlin  
 Macy, 2012-10-17 Kate was what you wanted somehow in this infinitely ironic age She was the kind of girl about whom other  
 girls used to say All right so she's thin but trying vainly to suss out the appeal And even now when her name comes up and  
 with it the sulky protest it invariably evokes She's not that great I do not feel compelled to argue in her defense Some fiction  
 debuts have remarkably strong stories some have refreshing new voices some have perfect cultural timing The Fundamentals  
 of Play is that literary rarity which has all three George Lenhart is chronically in love with Kate Goodenow So is Nick Beale  
 the working class son of a Maine lobsterman from the town where Kate spent her childhood summers So is Chat Wethers an  
 old money friend of George's from Dartmouth And so is Harry Lombardi a brilliant startlingly successful but socially awkward  
 Dartmouth upstart who has been trying to enter this circle for years It is George who tells the interwoven stories of these five  
 young people some of whom in their lineage or finances represent the last gasp of the old Northeastern Upper Class Starting  
 with the year after college when they all land in Manhattan George describes the good times and disappointments ambition  
 and manners sexual secrets and money cursed friendships that have tied these people to one another for a lifetime He tells of  
 Nick's charismatic past and drug ridden present and he shows the snobbery and avarice that lurk in Kate's background in  
 stark contrast to her ineffable allure And as George tells these stories and observes Harry's spectacular rise in the new as yet  
 unnamed phenomenon of the Internet he implicitly chronicles the end of an era and the emergence of a new definition of  
 class just as The Fundamentals of Play represents the emergence of a distinctive new talent in American fiction     **Rivers

 actors and directors of drama as well as the theatregoers     **Broadway** ,     *Mixed Magic* Anna Katrina  
 Gutierrez, 2017-07-26 Mixed Magic Global local dialogues in fairy tales for young readers considers retellings and  
 adaptations from a global context a framework focused on the reciprocal and cross cultural exchange between global  
 processes and local practices and their potential transformative effects The study examines an eclectic range of retellings  
 from the East and West from the 19th century until the present among them orientalized picturebook versions of Beauty and  
 the Beast and Bluebeard Disney's animated classics Asian versions of Hans Christian Andersen's The Little Mermaid Gene  
 Luen Yang's graphic novel American Born Chinese and the fantasy films of Hayao Miyazaki Drawing on theories of  
 globalization cognitive narratology subjectivity and eastern thought the book reveals new implications for intertextual  
 analysis This beautifully illustrated volume is the first sustained study of the effects of global local and East West  
 interchanges on representations of self and Others in children's literature and folklore studies     *Learning Language*

Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe
