From The Curb To A Castle:

From the Curb to a Castle Robert Wessely, 2015-01-05 My name is Robert Wessely and this is a true story about a relentless journey of one man's will to survive on the streets as a homeless man That man was me My childhood was the typical American story I was raised by loving parents and my father was a respected police officer I wasn't raised to be homeless nor was I ever taught about the struggles that would come along with living on the streets How did I get here When was my next meal or warm shower going to come Where will I sleep Everything I had was gone and the fears associated with my new way of life made it appear like there was no way out Then it happened and a way out did come along but it didn't take long to end up right back where I left off Unfortunately I found myself homeless with the love of my life and our children this time The addictions we had were too controlling to recognize the grasp it had on our lives Every day that we were on the streets could've been the last day we were spending with our children It wasn't until a man named Chuck stepped into our lives on Christmas Eve to show our family the true glory behind the grace of God Hold on tight for this journey and see how we went From the Curb to a Castle Proceedings of the Common Council of the City of Buffalo Buffalo (N.Y.). Second Series, 1945 Medieval Warhorse Oliver H. Creighton, Robert Liddiard, Alan K. Outram, Carly Ameen, Kate Kanne, 2025-02-24 The image of the armoured knight mounted on his charging warhorse is one of the most evocative of the Middle Ages As distinctive symbols of social status horses were central to the medieval aristocratic image and closely bound up with concepts of knighthood and chivalry while as weapons of war bred for size strength and stamina they changed the face of battle Drawing upon new interdisciplinary research this volume presents a fresh perspective on warhorses and medieval

horses generally in Britain understood within its wider European context It adopts an integrated approach that covers the full array of evidence for medieval horses from their physical remains bones teeth and DNA equipment and armour through to visual sources such as sculpture and wall paintings and documentary and landscape evidence for the environments in which they were bred and trained Analyses of these sources of information are first presented individually and then integrated and cross compared with the historical record to present a new chronology of horse stature conformation and appearance and to generate new understandings of the changing place of the horse in the medieval world *Atlantic Reporter* ,1910 *The Southwestern Reporter* ,1918 *Crusades* Benjamin Z.
