*From Adolescence to Adulthood in the Vietnam Era* Timothy J. Owens, 2008-01-08 Children born during the post WWII era of peace and prosperity entered history at a time dominated by I Like Ike politics and domestic security As they approached adolescence however their world was shaken by major cultural economic social and political upheaval And although it was time of great innovation and progress a sense of chaos and bitterness began to envelop the country It was the 60s For many Americans a mere mention of this decade evokes an extraordinary time and place in the country s and their own history Adolescents who had been enjoying the technological and medical advances of the era television drive in movies rock and roll vaccinations that prevented once incurable diseases now were also experiencing the fallout from the Civil Rights Movement domestic terrorism stagflation and perhaps most significant the Vietnam War *From Adolescence to Adulthood in the Vietnam Era* provides a unique detailed long term study of the psychological and social worlds of male adolescents who were on the cusp of adulthood as the 1960s were ending This longitudinal analysis follows adolescent boys who graduated with the class of 1969 and transitioned into adulthood either through military service full time employment or college life The results examine the different pathways these boys chose and the affect these choices had on their transition from adolescents to young adult men

**The Cycle of Deviant Behavior** Howard B. Kaplan, Glen C. Tolle Jr., 2006-11-24 To conduct this study on criminal and antisocial behavior the authors devoted years to collecting data from a large community sample of first generation subjects Data were garnered throughout their early adolescence twenties and thirties as well as from these first generation subjects biological children during their own early adolescence The results of these studies have profound implications for future research and methodology on deviant behavior

**Career Thresholds** Ohio State University. Center for Human Resource Research, 1970      *Handbook of Posttraumatic Growth* Lawrence G. Calhoun, Richard G. Tedeschi, 2014-07-10 Posttraumatic growth is an area in which investigations are now being undertaken in many different parts of the world The view that individuals can be changed sometimes in radically good ways by their struggle with trauma is ancient and widespread However the systematic focus by scholars and clinicians on the possibilities for growth from the struggle with crisis is relatively recent There are now a growing number of studies and scholarly papers on the antecedents correlates and consequences of posttraumatic growth and there are also theoretical models that can help guide the research further It is clear however that this phenomenon is not yet well understood *The Handbook of Posttraumatic Growth Research and Practice* provides both clinicians and researchers with a comprehensive and up to date

view of what has been done so far In addition it uses the foundations of what has been done to provide suggestions for the next useful steps to take in understanding posttraumatic growth The book offers contributions of important and influential scholars representing a wide array of perspectives of posttraumatic growth This volume serves as an impetus for additional work both in the academic aspects and in the possibilities for clinical applications of posttraumatic growth This Handbook will appeal to students practitioners and researchers working in a broad array of disciplines and human services

**Handbook of Social Psychology** John DeLamater, Amanda Ward, 2013-08-13 This handbook provides a broad overview of the field of social psychology and up to date coverage of current social psychological topics It reflects the recent and substantial development of the field both with regard to theory and empirical research It starts out by covering major theoretical perspectives including the inter actionist identity social exchange social structure and the person perspectives Next it discusses development and socialization in childhood adolescence and adulthood In addition to updated discussions of topics that were included in the first edition the part examining personal processes includes entirely new topics such as social psychology and the body and individual agency and social motivation Interpersonal processes are discussed from a contemporary perspective with a focus on stress and health The final section examines the person in sociocultural context and includes another topic new to the second edition the social psychology of race and gender and intersectionality In Their Own Words David Savran, 1993-01-01 Includes Lee Breuer Christopher Durang Richard Foreman Maria Irene Fornes Charles Fuller John Guare Joan Holden David Henry Hwang David Mamet Emily Mann Richard Nelson Marsha Norman David Rabe Wallace Shawn Stephen Sondheim Megan Terry Luis Valdez Michael Weller August Wilson and Lanford Wilson

Autobiographical Memory and the Validity of Retrospective Reports Norbert Schwarz, Seymour Sudman, 2012-12-06 Autobiographical Memory and the Validity of Retrospective Reports presents the collaborative efforts of cognitive psychologists and research methodologists in the area of autobiographical memory The editors have included an esteemed group of researchers whose work covers a wide range of issues related to autobiographical memory and the validity of retrospective reports reflecting the diverse traditions in cognitive psychology and survey research The first part of the book provides different theoretical perspectives on retrospective reports along with supporting experimental evidence The second part of this volume focuses specifically on retrospective reports of behaviors including recall of the frequency and intensity of physical pain of the number of cigarettes smoked of dietary habits and of child support payments The following sections address the cognitive processes involved in event dating and time estimation and a discussion of the differences between self and proxy reports The final part extends the discussion of autobiographical memories in different directions including the impact of autobiographical memories on individuals assessment of their current life the assessment of social change on the basis of retrospective reports and the issue of collective memories This book an indispensable and timely resource for researchers and students of cognitive psychology as well as to survey methodologists and statisticians demonstrates the

considerable progress made in understanding the cognitive dynamics of retrospective reports      **The Vietnam War in American Childhood** Joel P. Rhodes, 2019 A sort of nebulous sad thing happening forever and ever childhood socialization to the Vietnam War Why couldn't I fight in a nice simpler war comic books and Mad magazine Who bombed Santa's workshop militarizing play with commercial war toys One of the most agonizing years of my life knowing someone in Vietnam Mom tried to make it for us like he wasn't even gone father separation and reunion God bless dad wherever you are POW MIA How come the flags around town aren't flying at half mast Gold Star children Yes I am My Lai but My Lai is better than Viet Cong Vietnamese adoptees and Amerasians      Congressional Record United States. Congress, 1993      After Crime and Punishment Shadd Maruna, Russ Immarigeon, 2013-01-11 The issue of resettling ex prisoners and ex offenders into the community has become an increasingly important one on both sides of the Atlantic In the USA the former Attorney General Janet Reno identified the issue as one of the most pressing problems we face as a nation in view of the massive prison population and the rapid increase in rates of incarceration while in the UK it has become an increasingly important issue for similar reasons and the subject of recent reports by HM Inspectorate of Prisons and HM Inspectorate of Probation as well as from the Social Exclusion Unit of the Home Office Yet this issue has not been well served by the criminological literature and the new policies and programmes that have been set up to address the problem have not been well grounded in criminological thinking This book seeks to address the important set of issues involved by bringing together the best of recent thinking and research into desistance from crime drawing upon research in both the UK and the USA and with a distinct focus on how this might impact upon the design and implementation of ex offender reintegration policy      Northern Passage John Hagan, 2001-05-31 More than 50 000 Americans migrated to Canada during the Vietnam War Hagan himself a member of the exodus searched declassified government files consulted previously unopened resistance organization archives and contemporary oral histories and interviewed American war resisters settled in Toronto to learn how they made the momentous decision      **Handbook of Research on Educational Communications and Technology** David Jonassen, Michael J. Driscoll, 2008-09-25 First Published in 2008 Routledge is an imprint of Taylor Francis an informa company      **Screening the Sixties** Oliver Gruner, 2016-09-17 This book provides a detailed and engaging account of how Hollywood cinema has represented and remembered the Sixties From late 1970s hippie musicals such as Hair and The Rose through to recent civil rights portrayals The Help and Lee Daniels The Butler Oliver Gruner explores the ways in which films have engaged with broad debates on America's recent past Drawing on extensive archival research he traces production history and script development showing how a group of politically engaged filmmakers sought to offer resonant contributions to public memory Situating Hollywood within a wider series of debates taking place in the US public sphere Screening the Sixties offers a rigorous and innovative study of cinema's engagement with this most contested of epochs      **CHOOSING HAPPINESS** Cliff Dean, 2023-07-19 This

book is a celebration of life It is the colorful story of one man s personal search for happiness It is a collection of stories about unusual even unique circumstances and events in life from which essential lessons can be learned about how to be happy regardless of circumstances

Are You My Father? Cliff Dean,2019-05-01 Imagine being sixty five and having already lived a full life school family career travel hobbies and adventures Retired and living the good life on one seemingly ordinary day your entire world suddenly changes when you discover you have a thirty four year old son whom you knew nothing about That is what actually happened to me and here is the true story A young man raised solely by a loving mother spent thirty four years wondering about his biological father but never expected to actually get answers to his questions Then one day through the marvels of DNA technology he unexpectedly discovered the identity of his father And he got to ask his questions and he got them answered In such a situation what questions would you ask This book details the exact questions that he did ask during our first week of discovery along with my verbatim written responses to him After that first week we settled into a slower pace of discovery Over time I answered many more questions using each question as an opportunity to tell him a bit more about my life who I am and what I have experienced I hope you find it all as amazing and fascinating as we did

**The Generational Gap in American Politics** Patrick Fisher,2022-09-30 This book examines the history of the generational gap in American politics with an emphasis on the remarkable contemporary gap Using data derived primarily from the American National Election Studies ANES 2020 National Election Pool A P VoteCast and the Pew Research Center Patrick Fisher argues that the political environment experienced by successive generations as they have come of age politically influences political attitudes throughout one s life The result is that different generations have distinct political leanings that they will maintain over their lifetimes Fisher examines each generation from the Greatest Generation through to Generation Z who have recently started to come of voting age He cites the entry of the Millennial Generation and Generation Z into the electorate as completely changing the generational dynamics of American politics through their distinct political leanings that are significantly to the left of older generations As a result he concludes that demographically politically economically socially and technologically the generations are more different from each other now than at any time in living memory The Generational Gap in American Politics will appeal to a scholarly and public audience interested in American politics in general and political behavior in particular

**War and Literature: Looking Back on 20th Century Armed Conflicts** Tom Burns,Elcio Cornelsen,Volker Jaeckel,Luiz Gustavo Vieira,2014-06-01 This comprehensive volume analyzes the radical change in the nature of armed conflicts and in the way they are narrated and represented Ever since the First World War has changed war itself rendering meaningless the very vocabulary of war in terms such as battle front non combatant open city and hero new words new approaches new theories and new texts had to be invented The enemy became invisible Submarines tanks mines gas long range artillery and airplanes made this war different from all the other that came before A hundred years after the beginning of this terrible war it is now time to recall different representations of the armed conflicts of the

20th century The articles in this collection analyze representations of the Canudos Civil War in Brazil the First World War the Second World War the Korean War the Vietnam War the colonial wars in Africa and the war in Afghanistan aiming to understand how war and the telling of war have changed during the most murderous hundred years in the history of mankind
