Klein,2010 Full constitutional rights for foreign Islamic terrorist detainees Apologies to the Muslim world for American misdeeds and promises to make amends even if the security of the American people is placed in peril Welcoming radical Muslim sympathizers into high positions of authority Abridging freedom of expression And much much more Lethal Engagement documents how in these and other ways President Barack Hussein Obama has forsaken the oath of

office he took to preserve protect and defend the Constitution of the United States Lethal Engagement exposes how radical Muslims are re branding their barbaric ideology to fool their gullible audience in the West and how they play the racism victim card all with President Obama s help Lethal Engagement systematically lays out the dangerous entanglement of Obama with the United Nations which radical Muslims are manipulating to promulgate international law to their liking and how his nomination of more activist judges willing to throw away the Constitution allows radical Muslims to subvert American law Lethal Engagement also reveals the radical Muslim plan to destroy the value of the dollar and use the United Nations to replace it with a new global reserve currency all helped along by the Obama administration s disastrous economic policies After connecting all these dots Joseph Klein explains the steps we the people must take to rescue our country

Romain Rolland and the Politics of the Intellectual Engagement David Fisher, 2017-07-05 This intellectual portrait of Romain Rolland 1866 1944 French novelist musicologist dramatist and Nobel prizewinner in 1915 focuses on his experiments with political commitment against the backdrop of European history between the two world wars Best known as a biographer of Beethoven and for his novel Jean Christophe Rolland was one of those nonconforming writers who perceived a crisis of bourgeois society in Europe before the Great War and who consciously worked to discredit and reshape that society in the interwar period Analyzing Rolland s itinerary of engaged stands David James Fisher clarifies aspects of European cultural history and helps decipher the ambiguities at the heart of all forms of intellectual engagement Moving from text to context Fisher organizes the book around a series of debates Rolland s public and private collisions over specific committed stands introducing the reader to the polemical style of French intellectual discourse and offering insight into what it means to be a responsible intellectual Fisher presents Rolland s private ruminations extensive research and reexamination of the function and style of the French man of letters He observes that Rolland experimented with five styles of commitment oceanic mysticism linked to progressive democratic politics free thinking linked to antiwar dissent pacifism and ultimately Gandhism antifacism linked to anti imperialism antiracism and all out political resistance to fascism and most controversially fellow traveling as a form of socialist humanism and the positive side of antifascism Fisher views Rolland s engagement historically and critically showing that engaged intellectuals of that time were neither naive propagandists nor dupes of political parties David James Fisher makes a case for the committed writer and hopes to re ignite the debate about commitment For him Romain Rolland sums up engagement in a striking dialectical formula
