them and forcefully takes possession of the codex After finally taking possession of the artifact Mayacub s first objective is to develop futuristic technological weapons while growing his army in the process Secondly he intends to launch a series of attacks on small sovereign territories until he establishes himself as a modern day monarch Lastly he aims to generate more wealth by conducting arms deals on the black market the makings of a new era of world terrorism Surprisingly the Wolfpack s cameraman Charles has photographed each page of the codex sometime before it is taken by Mayacub s henchmen So now in an effort to stop Mayacub the Wolfpack returns to their clubhouse referred to as the Headquarters and uses the photos of the codex s instructional designs to build a defense system for the Mark 2600 fortifying its exterior to safeguard from destructive impacts of a combat situation that s likely to happen They also use the codex s instructions to develop and install new technology in its interior to counter the enemy s possible use of an EMP weapon Afterward they begin formulating strategies to stop Mayacub Later this reinforced vessel becomes a critical component in aiding the Wolfpack to recover the artifact reverse a 30 000 000 heist capture the most wanted criminal for the Mexican authorities and prevent a new era of terrorism a joyride cruise that ultimately becomes an adventure and converts these dazzling teenagers into brave heroes
