Goodbye Letter To Your Soccer Team:

Soccer Lions of the Nosce Hostem Charles L. Valenti, 2017-08-28 My son had the fortune of growing up in Italy as a military dependent There he learned the sport of soccer through relationships made with his Italian friends His book All American reveals how he used his knowledge of American sports on the soccer field in order to lead a team that would put together a streak of ten consecutive years of not losing a single regulation game by more than one goal And now this book called Soccer Lions of the Nosce Hostem contains the military intelligence and counterintelligence with regard to strategic and tactical deployment of member of his team This is the second half of the story in explaining exactly how military philosophies based on actual events were used by his Grover Cleveland soccer team out of Ridgewood New York City But beware the faint of heart My son is now in possession of this legacy called Soccer Lions of the Nosce Hostem With it he can help you understand the crucial knowledge gained from knowing your opponent We are the last of the lions We are the ghost and the darkness Lions do not speak but they know each others thoughts and these we will convey My background with regard to the writing of his book can be traced back to the years of growing up in an environment rich in experience gained from participating in the three basic America sports baseball basketball and football Currently I reside in Long Island with my wife Leila and my dogs Gizmo and Betsy I have two sons Ted and Chris and two grandchildren Christina and Teddy
