

Grumpy Old Women

E. Aston, G. Harris

Grumpy Old Women:

Grumpy Old Women Judith Holder, 2005 The sisters are finally getting in on the grumpy act Similar in style to the Grumpy Old Men this will feature all the rants that are particular to women Topics covered include body image visitors children animals shopping careers parties holidays and grumpy old men **Grumpy Old Women** Judith Holder, 2009-05-04 We all know what it means these days to be a grumpy old man because part of that role is to be outspoken Well we've heard just about enough out of the men thank you very much Grumpy Old Women gives us the other perspective the female take on the million irritations of today's world So what's the difference Surely what is irritating to the mature members of one sex is equally annoying to the other Not necessarily and this is precisely what Grumpy Old Women seeks to address Body image visitors children animals shopping careers parties holidays and yes grumpy old men themselves all are very much on the list of what today's mature woman finds a source of concern From the series producer and stand up comic Judith Holder the book incorporates material from the television series Grumpy Old Women which features a diverse colourful and very grumpy group of celebrities including Janet Street Porter Jenny Eclair Ann Widdecombe Germaine Greer Kathryn Flett and Jilly Cooper Written with wit style and sympathy the book is a source of both amusement and comfort to women everywhere grumpy old or otherwise **The Secret Diary of a Grumpy Old Woman** Judith Holder, 2006 It feels like only yesterday I was the youngest person in the room I had my whole life in front of me I had time to burn I spent my whole day snogging boys and backcombing my hair I was a young thing with a lovely body life was fun and I hadn't a care in the world Now it feels like two minutes later I'm a little bit old OK I'm not in elasticated stockings or on Meals on Wheels whizzing down the stairs on my stairlift but my life is more than half over I've been there done that got the packamac I'm so old that I remember dances with drum solos the arrival of unisex hairdressers and had a crush on Ilya Kuryakin I am up at the top of the hill and over the other side again What all this means is that I am grumpy But I've earned it I lived through Boney M and leg warmers and the Crossroads Motel Obviously in a book this size I wouldn't be able to share with you ALL of my grumps But I've decided to write down some of the secret thoughts that beset a woman of a certain age some of the wicked things that occur to a woman who takes a lot of things to the dry cleaners has to have her roots done every four weeks and finds it hard to wear high heels And guess what they still fancy people still have silly little crushes on people at work still shock horror have sex You will discover that women of a certain age are just as provocative and turned on as women in their twenties Probably more so So get over it Middle aged women are sexy funny and infinitely lovable They are also taking over the world

Grumpy Old Women Need It Too Alice E Tidwell, Mrs, Alice Tidwell, 2015-10-04 This Internet address book contains space for all your online account information It contains four address fields per page with two pages per letter Also available in regular size print **A Good Night Out for the Girls** E. Aston, G. Harris, 2012-11-29 Moving across the boundaries of mainstream and experimental circuits from the affective pleasures of commercially successful shows such as Calendar Girls

and Mamma Mia to the feminist possibilities of new burlesque and stand up this book offers a lucid and accessible account of popular feminisms in contemporary theatre and performance

Not Too Old for That Vicki Larson, 2022-04-04 Helps women break through the tired and hurtful stereotypes of aging to better reflect who they are how they live and what they want as they age Who hasn't heard the stereotypes about women of a certain age That's the age when women become invisible irrelevant undesirable asexual unhinged dried up hormonal messes It's when women quickly slide into fragility and become forgetful passive weak feeble debilitated disabled dependent and depressed Or so the story goes Not only are those outdated narratives sexist and ageist they are also damaging to women's physical emotional financial romantic and sexual health It's time to change them In *Not Too Old for That* Vicki Larson helps change the narrative about being a woman at midlife and older She questions what we've been told aging would be like and encourages us to instead ask ourselves what do we want it to be like and how can we get there The key is to be curious open minded and intentional about the ways we are becoming our future selves We have an opportunity to create new narratives of aging as a woman ones that value women at all stages of life not just youth and it starts with us Once the stereotypes that have held women back are broken down women can move past them and rather than feel helpless as the years add up they can discover and tap into just how much agency they have Not only will this book help to create a less ageist less sexist more inclusive future it will release our daughters and all young women from a similar future

Older and Wiser Jenny Eclair, 2020-07-02 THE SUNDAY TIMES BESTSELLER June 2020 A hilarious and heartfelt A-Z of getting through the menopause from comedian and national treasure Jenny Eclair If you're after an in depth medical or psychological insight into the menopause I'm afraid you've opened the wrong book I'm not a doctor However I am a woman and I do know how it feels to be menopausal so this book is written from experience and the heart and I hope it makes you laugh and feel better From C for Carb loading and G for Getting Your Shit Together to I for Invisibility and V for Vaginas Jenny's whistle stop tour of the menopause in all its glory will make you realise that it really isn't just you Jenny shares the surprising lessons she has learnt along the way as well as her hard won tips on everything from dealing with an empty nest get a lodger to keeping the lid on the pressure cooker of your temper count to twenty ten is never enough I can't say that I've emerged like a beautiful butterfly from some hideous old menopausal chrysalis and it would be a lie to say that I've found the old me again But what I have found is the new me and you know what I'm completely cool with that

I'm Married to Your Company! Masako Itoh, 2008 This approachable and absorbing book offers a unique window into Japanese culture and language Highlighting the overlooked world of the silent majority the housewives and mothers who are the mainstay of Japanese society this work tells the stories of ordinary women in their own voices An annotated translation of a Japanese bestseller the volume explores the daily communication of Japanese women and what their words tell us about their relationships and lives in a globalized post industrial yet still often male dominated Japan Readers will find that many issues explored here are universal to women everywhere while others are specific to Japan With added cultural context and

commentary the book offers a fresh understanding of Japanese society even for those who have had little exposure to Japan. Students in diverse fields ranging from anthropology to women's studies and from communications to Asian studies will find this an insightful and provocative work.

Girls Transforming Sanna Lehtonen, 2013-04-26. This book explores representations of girlhood and young womanhood in recent English language children's fantasy by focusing on two fantastic body transformation types: invisibility and age shifting. Drawing on recent feminist and queer theory, the study discusses the tropes of invisibility and age shifting as narrative devices representing gendered experiences. The transformations offer various perspectives on a girl's changing body and identity and provide links between real life and fantastic discourses of gender, power, invisibility, and aging. The main focus is on English language fantasy published since the 1970s, but the motifs of invisibility and age shifting in earlier tales and children's books are reviewed. This is the first study of children's fantasy literature that considers these tropes at length. Novels discussed are from both critically acclaimed authors and the less well known. Most of the novels depicting invisible or age shifting girls are neither thoroughly conventional nor radically subversive but present a range of styles. In terms of gender, children's fantasy novels can be more complex than they are often interpreted to be.

The Secret Diary of a Grumpy Old Woman Judith Holder, 2011-12-29. The highly successful *Grumpy Old Woman* returns, and this time she's even grumpier. It feels like only yesterday I was the youngest person in the room. I had my whole life in front of me. I had time to burn. I spent my whole day snogging boys and backcombing my hair. I was a young thing with a lovely body. Life was fun, and I hadn't a care in the world. Now it feels like two minutes later. I'm a little bit old. OK. I'm not in elasticated stockings or on Meals on Wheels whizzing down the stairs on my stairlift, but my life is more than half over. I've been there. Done that. Got the packamac. I'm so old that I remember dances with drum solos, the arrival of unisex hairdressers, and had a crush on Ilya Kuryakin. I am up at the top of the hill, and over the other side again. What all this means is that I am grumpy. But I've earned it. I lived through Boney M and leg warmers and the Crossroads Motel. Obviously, in a book this size, I wouldn't be able to share with you ALL of my grumps. But I've decided to write down some of the secret thoughts that beset a woman of a certain age: some of the wicked things that occur to a woman who takes a lot of things to the dry cleaners, has to have her roots done every four weeks, and finds it hard to wear high heels. And guess what? They still fancy people. Still have silly little crushes on people at work. Still shock horror have sex. You will discover that women of a certain age are just as provocative and turned on as women in their twenties. Probably more so. So get over it. Middle-aged women are sexy, funny, and infinitely lovable. They are also taking over the world.

Living the Life Unexpected Jody Day, 2016-02-25. The book to recommend to patients when they face coming to terms with unavoidable childlessness. *British Medical Journal*. In *Living the Life Unexpected*, Jody Day addresses the experience of involuntary childlessness and provides a powerful practical guide to help those negotiating a future without children come to terms with their grief, a grief that is only just beginning to be recognized by society. This friendly, practical, humorous, and honest guide from one of the world's most respected names in

childless support offers compassion and understanding and shows how it's possible to move towards a creative happy meaningful and fulfilling future even if it's not the one you had planned Millions of people are now living a life without children almost double that of a generation ago and the numbers are rising still Although some are childfree by choice many others are childless due to infertility or circumstance and are struggling to come to terms with their uncertain future Although most people think that those without children either couldn't or didn't want to be parents the truth is much more complex Jody Day was forty four when she realized that her quest to be a mother was at an end She presumed that she was through the toughest part but over the next couple of years she was hit by waves of grief despair and isolation Eventually she found her way and in 2011 created Gateway Women the global friendship and support network for childless women which has now helped almost two million people worldwide This edition previously titled *Rocking the Life Unexpected* has been extensively revised and updated with significant additional content and case studies from forty involuntarily childless people mostly women from around the world

Beyond the Double Bind Kathleen Hall Jamieson, 1995 A breakthrough account of how women can overcome the social binds that block their success As Kathleen Hall Jamieson explores society's interlaced traps and restrictions she draws on hundreds of interviews with women from all walks of life to show the ways they can cut through the restrictions

A Critical Woman Ann Oakley, 2011-06-08 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Barbara Wootton was one of the extraordinary public figures of the twentieth century She was an outstanding social scientist an architect of the welfare state an iconoclast who challenged conventional wisdoms and the first woman to sit on the Woolsack in the House of Lords Ann Oakley has written a fascinating and highly readable account of the life and work of this singular woman but the book goes much further It is an engaged account of the making of British social policy at a critical period seen through the lens of the life and work of a pivotal figure Oakley tells a story about the intersections of the public and the private and about the way her subject's life unfolded within was shaped by and helped to shape a particular social and intellectual context

The Woman with a Hat Full of Cherries Rita Petrini, 2013-10 You will discover that behind the courageous strong character of Oriana was lying dormant a truly sensitive heart The life of Oriana Fallaci was dedicated to the true reporting of facts but most of all as a writer she never missed an opportunity to chant the hymn of the freedom of the individual independently of any flag or colour of skin A few dictators hated her but she was adored by all women and men who were following in their heart the first human right that any man can have freedom of opinion and most of all freedom of speech This book has been inspired by the personal relationship between the author and the famous journalist and writer Oriana Fallaci It is the true story of the friendship that developed against all odds between two very different women It starts with each of them taking an antagonistic attitude toward the other that gradually transforms itself into mutual respect and ultimately friendship This novel has no political or religious direction although many of the conversations the two women have between them reflect

their personal opinion on many issues of the day The book might be considered controversial for the views expressed but its real purpose is to give a human and psychological portrait of one of the greatest female journalists of our era The New Dynamics of Ageing Volume 2 Alan Walker,2018-07-25 This volume and its companion The new dynamics of ageing volume 1 provide comprehensive multi disciplinary overviews of the very latest research on ageing Together they report the outcomes of the most concerted investigation ever undertaken into both the influence shaping the changing nature of ageing and its consequences for individuals and society This book concentrates on four major themes autonomy and independence in later life biology and ageing food and nutrition and representation of old age Each chapter provides a state of the art topic summary as well as reporting the essential research findings from New Dynamics of Ageing research projects There is a strong emphasis on the practical implications of ageing and how evidence based policies practices and new products can produce individual and societal benefits

Disability, Obesity and Ageing Debbie Rodan,Katie Ellis,2016-05-23 Disability Obesity and Ageing offers an engaging account of a new area of pressing concern analysing the way in which spurned identities are depicted and reacted to in televisual genres and online forums Examining the symbolic power of the media this book presents case studies from drama situation comedies reality and documentary television programmes popular in the UK USA and Australia to shed light on the representation of disability obesity and ageing and the manner in which their status as unwanted and unwelcome identities is perpetuated A theoretically sophisticated exploration of television as a translator of identity and the exploration of identity categories in allied virtual spaces this book will be of interest to sociologists as well as scholars of popular culture and cultural and media studies Reinterpreting Menopause Paul Komesaroff,Philipa Rothfield,Jeanne Daly,2013-05-13 Reinterpreting Menopause brings together a number of reflections from a broad range of areas including feminism cultural studies clinical medicine sociology philosophy and political science and includes the voices and experiences of menopausal women themselves In an innovative series of essays current thinking about medicine society and the body is critically examined Particular attention is given to the medical representations of menopause biology and aging the history of medical approaches to women and the tensions between bio medical models and other explanations of menopause Contributors include E Ann Kaplan Emily Martin Mia Campioni Fiona Mackie Roe Sybylla Wendy Rogers Kwok Lei Leng Margaret Morganroth Gullette and Robyn Gardner

Sisters ,2014-08-28 Harlot pious martyr marriage breaker obedient sister prophetess literate woman agent of the devil hypocrite These are some qualifications of the image of Anabaptist Mennonite women from a wide array of perspectives Over the ages they became both negative and positive stereotypes created by either opponents or sympathizers as a means of demonizing or promoting the dissident radical free church movement This volume explores the characteristics backgrounds and effects of the collective perceptions of Anabaptist Mennonite women as well as their self understanding from the sixteenth into the nineteenth centuries in a variety of case studies This is not a gender study in the traditional sense The theory of imagology sets the stage for the

interpretation of the image of the European Mennonite sisters acting within their religious moral cultural and social landscapes of Austria Belgium Germany the Netherlands Poland Switzerland and the Ukraine tsarist Russia *Celebrity and the Feminist Blockbuster* Anthea Taylor,2017-02-21 In the first book length study of celebrity feminism Anthea Taylor convincingly argues that the most visible feminists in the mediasphere have been authors of bestselling works of non fiction feminist blockbusters *Celebrity and The Feminist Blockbuster* explores how the authors of these popular feminist books have shaped the public identity of modern feminism in some cases over many decades Maintaining a distinction between women who are famous because of their feminism and those who later add feminism to their brand Taylor contends that Western celebrity feminism as a political mode of public subjectivity cannot in any simple way be seen as homologous with other forms of stardom Moving deftly from the 1960s to the present focusing on how feminist authors have actively worked to manufacture their public personas she demonstrates that the blockbuster remains crucial to feminist celebrification but is now often augmented with digital media Advancing celebrity studies by placing the figure of the feminist front and centre *Celebrity and the Feminist Blockbuster* is essential reading for all those interested in gender popular feminism and the politics of renown No More Little Old Ladies! Barbara Morris,2009-02-01 Little Old Ladies don t just happen they are created by default The road to little old lady hood starts early in mid life but if a well thought out plan of prevention is in place midlife women can keep and improve their current level of youthful attributes for at least another 25 years One reason most women don t achieve their desired degree of agelessness is because the traditional retirement oriented senior culture does not support growth and productivity The negative power of the senior culture is something few women are aware of and nobody talks about it until now This aging influence in the lives of older women has finally been outed and you must discover what it s all about and how to avoid it in *No More Little Old Ladies*
