Guide Book For Annapurna Circuit Itinerary Word:

Annapurna Siân Pritchard-Jones, Bob Gibbons, 2017-02-28 This guidebook describes 14 multi day treks in Nepal's captivating Annapurna region among the foothills of the mighty Himalaya. Routes range between 24km and 200km, 15-124 miles and between 4 and 23 days with maximum altitudes from 1750m to 5416m. Areas covered include Machhapuchhre Pokhara and Lamjung Himal. The varied treks showcase this inspiring landscape offering stunning vistas of snow clad peaks and verdant valleys. From the classic Annapurna Circuit and Annapurna Sanctuary to lesser known routes, this is the definitive guide to exploring Nepal's most popular trekking region. With accommodation options including a mixture of homestay, camping and lodges, trekkers have the opportunity to immerse themselves in their surroundings and experience the warmth and richness of Nepalese hospitality and culture. As well as detailed route description and sketch mapping, the guide presents a wealth of information to help make the most of a trip, including practical advice on transport, visas and permits, when to go, what to take and health and safety. There are notes on different styles of trekking, tips on cultural etiquette and fascinating background information on the region's history, plants and wildlife, culture and religion. *Creating Room to Read* John Wood, 2013-02-07 The inspirational story of a former Microsoft executive's quest to build libraries around the world and share the love of books. What's happened since John Wood left Microsoft to change the world. Just ask six million kids in the poorest regions of Asia and Africa. In 1999, at the age of thirty-five, Wood quit a lucrative career to found the nonprofit Room to Read. Described by the San Francisco Chronicle as the Andrew Carnegie of the developing world, he strived to bring the lessons of the corporate world to the nonprofit sector and succeeded spectacularly. In his acclaimed first book, *Leaving Microsoft to Change the World*, Wood explained his vision and the story of his start-up. Now he tackles the organization's next steps and its latest challenges, from managing expansion to raising money in a collapsing economy to publishing books for children who literally have no books in their native language. At its heart, *Creating Room to Read* shares moving stories of the people Room to Read works to help: impoverished children whose schools and villages have been swept away by war or natural disaster, and girls whose educations would otherwise be ignored. People at the highest levels of finance, government and philanthropy will embrace the opportunity to learn Wood's inspiring business model and blueprint for doing good. And general readers will love *Creating Room to Read* for its spellbinding story of one man's mission to put books within every child's reach. *Geographical*, 1992 **Kathmandu and the Kingdom of Nepal** Prakash A.
