What guide dogs do

Guide dogs help people who are blind or visually impaired move around safely, and often transform their lives. They are usually allowed anywhere that the public can go, even where other dogs aren't allowed. In order to help their owner, guide dogs must know how to:

- keep a steady pace
- stop at all kerbs
- recognise and avoid obstacles
- stop at the bottom and top of stairs
- lie quietly when their owner is sitting down

Life Through Sam's Eyes Jim Valavanis, Lisa Valavanis, 2016-08-01 A journey from devastation to inspiration. International authors and parents Jim and Lisa Valavanis share their inspirational story of what they went through and how they coped and survived when a family crisis struck down their son Sam. Sam was diagnosed with Retinoblastoma at just 12 weeks of age, and they thought his life was over before it had even begun. They didn't know what it meant to him for now, let alone the future. How would he and they, as a family, get through this ordeal and what kind of life would he have? This book will help lift the haze that may come over other families or individuals facing a personal traumatic experience and give them not only a sense of direction but also of hope for the future. You'll learn why cancer or disability does not mean the end. How an ordinary family survived through an extraordinary situation. How parents can help their child cope with grief and loss. How the power of positive thinking can help you deal with a traumatic life-changing experience. You can rise up from the depths of despair to live the life you deserve. Essential networks and support groups available to assist you through the difficult times. Where to from here. Living a joyous and fulfilling life with a disability. Reprioritize what is important in your life today. 10% of sales go to the Starlight Children's Foundation.
