**Female Piety: Or The Young Woman's Friend and Guide Through Life to Immortality** John Angell James, 1859

*Female Brain Gone Insane* Mia Lundin, 2010-01-01 The first book to specifically address the emotional issues of hormonal and brain chemistry imbalances Do you wake up every morning feeling flat and like you are going through the motions Feel wired but tired Do you feel like it s all you can do to get through another day Ambivalent or lackluster about life Is your brain foggy and are you worried about your lack of sleep If any of these questions pertain to you you may feel like you have gone insane but there is an emergency guidebook that can rescue you *Female Brain Gone Insane* is the hands on manual for women who feel like they are falling apart losing it or going insane and focuses on the emotional symptoms of hormone and brain chemistry imbalances associated with the combination of stress filled lives and life transitions such as PMS perimenopause menopause and postmenopause Unlike other hormone books on the market *Female Brain Gone Insane* is less focused on physiological changes such as bone loss and weight gain and instead tackles the legitimate panic and distress women feel as they experience symptoms associated with emotional and intellectual turmoil including mood swings loss of concentration and or memory and mental acuteness to name a few Women who have asked Why do I feel like I am losing it How can I cope with the emotional changes I am experiencing and Will I ever feel like myself again will find real and compassionate help in this emergency guidebook What s even more unique is the author s contention that changes in the brain that affect a woman s mood memory concentration and acuteness may not always be a hormone imbalance caused by menopause or other female specific issues as doctors often misdiagnose but imbalances induced by the stress and anxiety levels associated with our fast paced lifestyles that affect us at a deeper level Bottom line the key to a woman s well being is balanced brain chemistry and *Female Brain Gone Insane* offers customizable solutions for every woman Without lumping all women into one category *Female Brain Gone Insane* helps each woman identify the symptoms of her particular emotional and psychological problems be they depression panic attacks memory loss or even acting out of character and then offers support information and treatment so that she can rebalance herself The core of the plan is to use bio identical hormones using the right hormone at the right time and supplements carefully chosen to manipulate brain chemistry so that the body is happy again Women will be liberated from their emotional turmoil with step by step tailor made rescue prescriptions based on the author s thriving practice of more than 3 000 satisfied patients No

more misdiagnoses or Band aid treatments such as antidepressants birth control pills or even unnecessary surgeries Unique philosophy accompanied with a combination of bio identical hormones nutritional supplements good food including targeted amino acid therapy and lifestyle changes allows women to truly manipulate and support their brain chemistry Readers learn the basic science behind the intricate dance between their hormones and brain chemistry and are then encouraged to respect and identify their own emotional and physical symptoms Identifies the underlying causes of emotional symptoms and addresses women s unique bio chemical composition with a new and unconventional approach to integrating bio identical hormones targeted amino acid therapy and other nutritional supplements

**The Female Brain** Louann Brizendine, MD, 2007-08-07 Since Dr Brizendine wrote The Female Brain ten years ago the response has been overwhelming This New York Times bestseller has been translated into more than thirty languages has sold nearly a million copies between editions and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages to help men better understand the girls and women in their lives and to illuminate the delicate emotional machinery of a love relationship Why are women more verbal than men Why do women remember details of fights that men can't remember at all Why do women tend to form deeper bonds with their female friends than men do with their male counterparts These and other questions have stumped both sexes throughout the ages Now pioneering neuropsychiatrist Louann Brizendine M D brings together the latest findings to show how the unique structure of the female brain determines how women think what they value how they communicate and who they love While doing research as a medical student at Yale and then as a

resident and faculty member at Harvard Louann Brizendine discovered that almost all of the clinical data in existence on neurology psychology and neurobiology focused exclusively on males In response to the overwhelming need for information on the female mind Brizendine established the first clinic in the country to study and treat women s brain function In *The Female Brain* Dr Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain body behavior The result women will come away from this book knowing that they have a lean mean communicating machine Men will develop a serious case of brain envy *The Rough Guide to the Brain* Rough Guides,2012-06-07 How does memory work Are we addicted to television What is Alzheimer s Disease Can machines read our minds The human brain with all its inherent complexity has taken on near mythical status Its 100 billion nerve cells forged by nature and refined over millions of years allow humans the capacity to survive create culture love Once an impenetrable grey mass modern science is getting to grips with our brains at an unprecedented rate We are moving from a time of anatomy in which science did well to characterise the various regions of the brain to a time in which we can observe thought processes in real time We have entered a neural renaissance *The Rough Guide to the Brain* is for anyone who s ever wanted to know more about how their brain and mind works and what goes wrong when it doesn t From how we evolved such an impressive organ to how it achieves the feat that is you Including numerous insights from leaders in their fields there s no better way to stimulate your grey matter Now available in ePub format *Handbook on Sexual Violence* Jennifer Brown,Sandra Walklate,2011-10-19 This book situates the complexity of violence within its broader context and covers a wide span of sexual violence including sexual harassment bullying and murder as well as domestic violence *The New Sjogren's Syndrome Handbook* Sjogren's Syndrome Foundation,2004-10-18 Afflicting nearly four million Americans Sjogren s syndrome is an autoimmune disease that commonly causes dryness of the eyes mouth and nose and that can lead to complications including profound fatigue depression and lymphoma While there is no cure for Sjogren s much can be done to alleviate the suffering of patients This extensively revised handbook offers everything you need to know to cope with this disease *The New Sjogren s Syndrome Handbook Third Edition* is a comprehensive and authoritative guide produced by the Sjogren s Syndrome Foundation and its medical advisors and edited by physician Daniel J Wallace a leading authority on auto immune disorders This expanded edition provides readers with the best medical and practical information on this disorder bringing together the current thinking about Sjogren s in an easily readable and understandable book The handbook illuminates the major clinical aspects of the syndrome and is loaded with practical tips and advice to assist those seeking information Indeed it offers a wide ranging look at the many faces of Sjogren s covering diagnosis the various organ systems that can be affected the possible psychological problems and the many treatment options as well as an appendix listing the resources available for patients with the disease It is a valuable aid that patients can use while discussing their illness with their physician and an excellent resource for family members And because Sjogren s is greatly underdiagnosed

this handbook is a particularly valuable resource for healthcare professionals The most reliable and informative guide available The New Sjogren s Syndrome Handbook Third Edition is the first place for patients to look when they have questions about this little known but serious chronic disease

Boys and Girls Learn Differently! A Guide for Teachers and Parents Michael Gurian,2010-08-26 A thoroughly revised edition of the classic resource for understanding gender differences in the classroom In this profoundly significant book author Michael Gurian has revised and updated his groundbreaking book that clearly demonstrated how the distinction in hard wiring and socialized gender differences affects how boys and girls learn Gurian presents a proven method to educate our children based on brain science neurological development and chemical and hormonal disparities The innovations presented in this book were applied in the classroom and proven successful with dramatic improvements in test scores during a two year study that Gurian and his colleagues conducted in six Missouri school districts Explores the inherent differences between the developmental neuroscience of boys and girls Reveals how the brain learns Explains when same sex classrooms are appropriate and when they re not This edition includes new information on a wealth of topics including how to design the ultimate classroom for kids in elementary secondary middle and high school

*The New Feminine Brain* Mona Lisa Schulz,2013-07-16 Ever wonder why most women can handle the kids and careers and the renovation but men can concentrate on either the newspaper or a game on TV This is because female brains have more interconnections that allow them to multi task and split their attention The New Feminine Brain is the first book by a medical doctor who is also a psychiatrist and a brain expert to show how modern life challenges are physically rewiring the brain and to address the particular challenges that women face as a result The female brain today is not your grandmother s brain it has even more connections and skills but with that can come more physical problems including an increase in attention and memory deficits and chronic mood and health conditions The New Feminine Brain combines the insights of Dr Schulz s research and stories of clinical experience as a neuropsychiatrist treating people with tough brain disorders with unique self help and expert health advice Readers will discover and cultivate their special genius and intuitive style with provocative self tests so they can hear and heal their depression anxiety attention memory and other brain problems Rewiring exercises herbs and nutritional supplements will improve their physical psychological and emotional health
