Beating Guns Shane Claiborne,Michael Martin,2019-03-05 Publishers Weekly starred review Parkland Las Vegas Dallas Orlando San Bernardino Paris Charleston Sutherland Springs Newtown These cities are now known for the people who were shot and killed in them More Americans have died from guns in the US in the last fifty years than in all the wars in American history With less than 5% of the world s population the people of the US own nearly half the world s guns America also has the most annual gun deaths homicide suicide and accidental gun deaths at 105 per day or more than 38 000 per year Some people say it s a heart problem Others say it s a gun problem The authors of Beating Guns believe it s both This book is for people who believe the world doesn t have to be this way Inspired by the prophetic image of beating swords into plows Beating Guns provides a provocative look at gun violence in America and offers a clarion call to change our hearts regarding

one of the most significant moral issues of our time Bestselling author speaker and activist Shane Claiborne and Michael Martin show why Christians should be concerned about gun violence and how they can be part of the solution The authors transcend stale rhetoric and old debates about gun control to offer a creative and productive response Full color images show how guns are being turned into tools and musical instruments across the nation Charts tables and facts convey the mind boggling realities of gun violence in America but as the authors make clear there is a story behind every statistic Beating Guns allows victims and perpetrators of gun violence to tell their own compelling stories offering hope for change and helping us reimagine the world as one that turns from death to life where swords become plows and guns are turned into garden tools

The Top Books of the Year Guns And Gunning The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Guns And Gunning : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
