The World Is Your Oyster Jeff D. Opdyke, 2008-04-01 How Jeff D Opdyke became a successful international investor is an Everyman tale that began thirteen years ago when he discarded conventional wisdom At the time Wall Street s pros insisted that average investors buy domestic mutual funds that invest overseas But Jeff ignored their tepid advice Instead he opted for the intrepid opening bank and brokerage accounts from New Zealand to Hong Kong in order to buy the local stocks he wanted to own not those that some fund manager deemed worthy Jeff did so with great insight People are people no matter whether home is in Madrid Memphis or Mumbai They drink beer and buy homes and the furnishings and appliances to put in them As hundreds of millions of people around the world strive to move into the middle class the companies that meet these basic needs are becoming the great investment opportunities of today and tomorrow Only a fraction of them however trade on American stock exchanges So armed with simple tools available to you and me the Internet and an e mail account Jeff found companies intimately tied to their local economies but capable of expansion to America

perhaps or more important to Asia and other regions of explosive growth One such company is Fisher Paykel a New Zealand based maker of appliances that over the course of a dozen years has produced a steady stream of dividends and special distributions and has gained more than 17 percent a year for Jeff How to find companies like Fisher Paykel is the heart of this book You can indeed make the world your oyster by diversifying your portfolio and Jeff provides indispensable insight and practical guidelines for every aspect of investing directly overseas He shows how to research and track companies set up foreign brokerage accounts handle tax issues convert currencies and fund accounts Why venture beyond the United States to begin with Because America is really just one small island For every American public company there are four beyond our shores many of which are small to midsize and have huge potential for growth which you ll never find by trading in America alone If you re ready to take the next step in building a truly diversified portfolio you will gain a wealth of invaluable insight and information from Jeff s engaging first person accounts of his trial and error but ultimately highly successful globe trotting career in search of worthy stocks The opportunities for investing overseas are indisputable The World Is Your Oyster is your travel guide pinpointing five of the best reasons to go global detailing various ways for investors of every temperament from timid to adventurous to cross financial borders focusing on how to invest directly in hot spots from China to Turkey to Eastern Europe and revealing how the Internet and other twenty first century technology has opened a world of direct overseas investment opportunities for you *How Digital Intelligence Drives Business Growth* Zhizhuan Business Research Institute,2023-11-23 This book aims to build a framework for understanding how to achieve new business growth through digital intelligence It reveals the driving force and commercial logic behind the technology upgrade and transformation for enterprises analyzes how to improve enterprises branding product distribution channel marketing logistics and organization under the new context and studies the successful cases in digital intelligence of 6 Chinese enterprises For business school students researchers managers and practitioners it is helpful to build an overview and understanding on strategy level as well as practice level Asian Sources Electronic Components ,2005
