Vistro-Yu, Tin Lam Toh, 2019-04-26 This book sheds light on school mathematics curricula in Asian countries including their design and the recent reforms that have been initiated By discussing and analyzing various problematic aspects of curriculum development and implementation in a number of East and South Asian countries and offering insights into these countries unique approaches to supplementing school mathematics curricula it contributes to shaping effective policies for implementation assessment and monitoring of curricula The book covers a wide range of issues curriculum design localization of curricula directions of curricular reforms mathematics textbooks assessment within the curriculum and teachers professional development which are of interest to a wide international audience

Translation Studies in the Philippines Riccardo Moratto, Mary Ann G. Bacolod, 2023-12-01 The contributors to this book examine the state development issues practices and approaches to translation studies in the Philippines The Philippines is a highly multilingual country with many indigenous languages and regional dialects spoken alongside foreign imports particularly English and Spanish Professor Moratto Professor Bacolod and their contributors analyse the different roles that translation plays across an extensive range of areas including disaster mitigation crisis

communication gender bias marginalization of Philippine languages academe and views on sex gender and sexuality They look at a range of different types of translation from the translation of biblical texts to audio visual translation and machine translation Emphasising the importance of translation as an interdisciplinary field they use a variety of analytic lenses including anthropological linguistics language and culture studies semantics structural linguistics and performance arts among others A comprehensive resource for scholars and practitioners of translation as well as a valuable reference for scholars across a wider range of humanities and social science disciplines in examining the culture language and society of the Philippines

Serving Library Users from Asia John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author's 15 years of research and travels to Asia this work is a must have for all librarians

Resources in Education, 1998

Education and Power in Contemporary Southeast Asia Azmil Tayeb, Rosalie Metro, Will Brehm, 2023-07-18 This book focuses on education and power in Southeast Asia and analyzes the ways in which education has been instrumentalized by state non state and private actors across this diverse region The book looks at how countries in Southeast Asia respond to the endogenous and exogenous influences in shaping their education systems Chapters observe and study the interplay between education and power in Southeast Asia which offers varying political social cultural religious and economic diversities The political systems in Southeast Asia range from near consolidated democracy in Indonesia to illiberal democracy in Singapore and Thailand to the communist regime in Laos to absolute monarchy in Brunei Structured in three parts i centralization and decentralization ii privatization and marketization and iii equity and justice these themes are discussed in single country and or multi country studies in the Southeast Asian region Bringing together scholars from and

focused on Southeast Asia this book fills a gap in the literature on education in Southeast Asia

English Language Teaching and Teacher Education in East Asia Amy Bik May Tsui, 2020-11-05 The spread of English is so much an integral part of globalization that it has become an essential global literacy skill In Asia this poses immense challenges to governments and English language teaching and teacher education professions as they attempt to meet this demand from students for a high level of English proficiency This volume examines English language education policies across ten Asian jurisdictions the corresponding teacher education policies and how these policies affect teachers and teacher educators Each chapter covers a different jurisdiction and is written by a scholar engaged in the implementation of government policies on English language and teacher education providing the reader with insiders perspectives It gives a fascinating glimpse into the remarkable similarities in the challenges posed to these countries and the critical issues that have emerged from the local responses despite their markedly different socioeconomic political cultural and historical backgrounds

The Routledge Handbook of World Englishes Andy Kirkpatrick, 2020-12-31 The Routledge Handbook of World Englishes constitutes a comprehensive introduction to the study of World Englishes Split into six sections with 40 contributions this Handbook discusses how English is operating in a wide range of fields from business to popular culture and from education to new literatures in English and its increasing role as an international lingua franca Bringing together more than 40 of the world's leading scholars in World Englishes the sections cover historical perspectives regional varieties of English from across the world recent and emerging trends and the pedagogical implications and the future of Englishes The Handbook provides a thorough and updated overview of the field taking into account the new directions in which the discipline is heading This second edition includes up to date descriptions of a wide range of varieties of English and how these reflect the cultures of their new users including new chapters on varieties in Bangladesh Uganda the Maldives and South Africa as well as covering hot topics such as translanguaging and English after Brexit With a new substantial introduction from the editor the Handbook is an ideal resource for students of applied linguistics as well as those in related degrees such as applied English language and TESOL TEFL

Handbook on Teaching Social Issues Ronald W. Evans, 2021-05-01 The Handbook on Teaching Social Issues 2nd edition provides teachers and teacher educators with a comprehensive guide to teaching social issues in the classroom This second edition re frames the teaching of social issues with a dedicated emphasis on issues of social justice It raises the potential for a new and stronger focus on social issues instruction in schools Contributors include many of the leading experts in the field of social studies education Issues centered social studies is an approach to teaching history government geography economics and other subject related courses through a focus on persistent social issues The emphasis is on problematic questions that need to be addressed and investigated in depth to increase social understanding active participation and social progress Questions or issues may address problems of the past present or future and involve disagreement over facts definitions values and beliefs arising in the study of any of the social studies disciplines or other

aspects of human affairs The authors and editor believe that this approach should be at the heart of social studies instruction in schools

ENDORSEMENTS

At a time when even the world's most stable democracies are backsliding towards autocratic rule Ronald Evans has pulled together an essential guide for teachers who want to do something about it The 2nd edition of the Handbook on Teaching Social Issues is a brilliant and timely collection that should be the constant companion for teachers across the disciplines Joel Westheimer University Research Chair in Democracy and Education University of Ottawa

The Handbook on Teaching Social Issues 2nd edition is a fantastic resource for teachers teacher educators and professional development specialists who are interested in ensuring that social issues are at the center of the curriculum The chapters are focused on the most important contemporary thinking about what social issues are why they are so important for young people to learn about and what research indicates are the most effective pedagogical approaches The wide ranging theoretical and practical expertise of the editor and all of the chapter authors account for why this handbook makes such an exceptional contribution to our understanding of how and why the social issues approach is so important and stimulating

Diana Hess Dean UW Madison School of Education Karen A Falk Distinguished Chair of Education Democracy both as a form of governance and a reservoir of principles and practices faces an existential threat The Handbook on Teaching Social Issues is a perfectly timed and wonderfully engaging exploration of what lies at the heart of social studies curriculum social inquiry for democratic life The authors provide conceptual frames classroom strategies and deep insights about the complex and utterly crucial work of education for democratic citizenship Education like that conceptualized and described in this volume is a curative so needed at this critical moment Ron Evans and his colleagues have delivered assembling an outstanding set of contributions to the field The Handbook underscores John Dewey's now haunting invocation that democracy must be renewed with each generation and an education worthy of its name is the handmaiden of democratic rebirth William Gaudelli Dean and Professor Lehigh University This volume is so timely and relevant for democratic education Instead of retreating to separate ideological corners the authors in this handbook invite us to engage in deliberative discourse that requires civic reasoning and often requires us to meet in a place that serves us all Gloria Ladson Billings Professor Emerita Department of Curriculum I am excited to use the 2nd edition with my teacher education students LaGarrett King Isabella Wade Lyda and Paul Lyda Professor of Education Founding Director CARTER Center for K 12 Black history education University of Missouri

Ronald Evans has curated a collection of informative contributions that will serve as an indispensable resource for social studies educators committed to engaging their students in the thoughtful examination of social issues The Handbook on Teaching Social Issues 2nd edition articulates the historical definitional and conceptual foundations of social issues education It offers clear presentations of general guidelines for unit planning discussion methods and assessment It identifies specific teaching strategies resources and sample lessons for investigating a range of persistent and contemporary social issues on the elementary middle and secondary levels through the social studies disciplines Updated with perspectives on education

for social justice that have emerged since the first edition this edition effectively situates social issues education in the contemporary sociopolitical milieu The Handbook on Teaching Social Issues is a timely accessible and practical guide to involving students in a vital facet of citizenship in a democracy William G Wraga Professor Dean s Office Mary Frances Early College of Education University of Georgia The Handbook on Teaching Social Issues 2nd edition is a long awaited welcome and timely volume It is apparent that the foundational tenets of the first edition have served social studies professionals well over the past 25 years given the growth of social issues scholarship showcased in this new edition Notable is the re framing and presentation here of scholarship through a social justice lens I appreciate the offering of unique tools on an array of specific critical topics that fill gaps in our pedagogical content knowledge This volume will sit right alongside my dog eared 1996 edition and fortify many methods courses theses and dissertations to come Sincere thanks to the editor and authors for what I am certain will be an enduring catalyzing contribution Nancy C Patterson Professor of Education Social Studies Content Area Coordinator Bowling Green State University The Handbook on Teaching Social Issues is a tool that every informed social studies educator should have in their instructional repertoire Helping students understand how to investigate and take action against problems is essential to developing a better world The articles in this handbook provide explanations and reasonings behind issues centered education as well as strategies to employ at every age level of learning I look forward to using this edition with the K 12 social studies teachers in my district in order to better prepare our students for future learning and living Kelli Hutt Social Studies Curriculum Facilitator Dallas Center Grimes CSD Grimes Iowa Ron Evans has chosen an appropriate time to create a companion publication to the first Handbook on Teaching Social Issues published in 1996 During the last few years social studies teachers have been confronted by student inquiries on a plethora of historical and contemporary issues that implores for the implementation of an interdisciplinary approach to the teaching of anthropology economics geography government history sociology and psychology in order for students to make sense of the world around them and develop their own voices This demands a student centered focus in the classroom where problematic questions must be addressed and investigated in depth in order to increase social understanding and active participation toward social progress This volume provides crucial upgrades to the original handbook including a greater emphasis on teaching issues in the elementary grades the inclusion of issues pertaining to human rights genocide and sustainability to be addressed in the secondary grades and addressing issues related to disabilities Mark Previte Associate Professor of Secondary Education University of Pittsburgh Johnstown Chair NCSS Issues Centered Education Community **Education Manitoba** ,1989 Research in Education ,1969 **Improving the Performance of Elementary School Pupils with Strategic Intervention Material (SIM)** Ronela Encinas,2020-04-15 Project Report in the subject Pedagogy The Teacher Educational Leadership language English abstract This work attempts to prove that the Strategic Intervention Material SIM can significantly address the least mastered skills and learning competencies from the K 12 curriculum guide Different and

multiple activities were created in order to improve and help the pupil understand difficult concepts about the subject Assessments were made and subjected to parallel testing The activities were finalized and administered in an Elementary School with 23 Grade IV pupils as respondents The mean mastery and performance level on the actual lesson and the utilization of SIM were computed Moreover results were compared The mastery and performance level before and after the use of the Strategic Intervention Material were interpreted It showed that there was a significant difference on the mastery and performance levels of pupils This suggests that the utilization of SIM helps the pupils to master the difficult and least mastered competencies

International Handbook on Education in Southeast Asia Lorraine Pe Symaco, Martin Hayden, 2021-12-23 This International Handbook provides a detailed account of the education systems of 11 Southeast Asian nations including Brunei Darussalam Cambodia Indonesia Lao People s Democratic Republic Malaysia Myanmar the Philippines Singapore Thailand Timor Leste and Vietnam It presents a systematic sector by sector explanation of how these national education systems deliver educational services and respond to national and international issues and challenges With 56 chapters the International Handbook is the region s most comprehensive educational reference source In the first of its chapters the editors introduce the regional context and draw attention to the distinctive characteristics of each of the 11 systems Southeast Asia representing 8 5% of the world s population is as dynamic as it is diverse The International Handbook charts progress and establishes a benchmark for documenting future developments It also provides a stepping off point for more detailed investigations of decision making processes and outcomes across the 11 national education systems

ERIC Clearinghouse Publications ,1983 Ethnic Heritage Studies Program Catalog, 1974-1979 Regina McCormick,1980

Language and Learning in Multilingual Classrooms Elizabeth Coelho,2012-06-25 This book offers practical research based advice for teachers and other educators on how to adapt school and classroom procedures curriculum content and instructional strategies in order to provide a supportive learning environment for students of minority language backgrounds who are learning the language of instruction at the same time as they are learning the curriculum
