Parks,2008-06-13 A masterpiece of multidisciplinary scholarship that clearly demonstrates the contemporary relevance of black fraternities and sororities Hasan Kwame Jeffries author of *Bloody Lowndes* During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed To foster a greater engagement with the history and contributions of BGLOs *Black Greek Letter Organizations in the Twenty first Century* brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance *Black Greek Letter Organizations in the Twenty first Century* demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead

Cases on Strategic Partnerships for Resilient Communities and Schools Thomas,

Ursula,2020-04-24 As the importance of public education increases both globally and nationally partnerships between schools and their community become key to each other s success Examining the intersection of schools with their communities reveals the most effective strategies for supporting school populations that are traditionally marginalized or underserved in both rural and urban areas Cases on Strategic Partnerships for Resilient Communities and Schools is an essential publication that uncovers the problems and pitfalls of creating strategic partnerships between schools and other members of the community in which the schools are situated that include for profit businesses not for profit entities and private organizations The book reveals that schools that are thriving effectively do not do so in isolation but as vibrant members and centers of the communities in which they serve students and families Moreover it examines the difficulty in advocating for the schools and the leadership of the schools within these communities so that they can be better served Highlighting a wide range of topics including leadership community based outreach and school advocacy this book is ideally designed for teachers school administrators principals school boards and committees non profit administrators educational advocates leadership faculty community engagement directors community outreach personnel entrepreneurs researchers academicians and students [The Journal](#) ,2002 **Before You Pledge: Essential Information You Should Know About the Divine Nine** Dr. Michael J. R. Winfield, Before You Pledge Essential Information You Should Know About the Divine Nine is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women The dawn of the twentieth century brought many challenges to young African American students seeking enrollment at all white college campuses Intense racial prejudice forced many black students to leave predominantly white universities And at the same time on Historically Black College campuses the desire for fellowship through shared social experiences led to the rise of Black Greek life starting with Cornell University in New York Alpha Phi Alpha the first black fraternity formed at a predominantly white university in 1906 would point the way for similar organizations to develop Between 1906 and 1922 eight Black Greek Letter Organizations were formed with a ninth in 1963 Known collectively as the Divine Nine these five fraternities and four sororities would go on to shape the course of Black America Together these young black men and women would face down racial prejudice take the lead in the fight for social justice in the end reshape the American cultural landscape Finally no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in many other parts of the world compared to the Divine Nine [The Little Rock Crisis](#) R. Perry,2015-05-06 The Little Rock Crisis frames the story of the Little Rock 1957 desegregation crisis through the lens of memory Over time those memories individual and collective have motivated Little Rockians for social and political action and engagement **Encyclopedia of African American History, 1896 to the Present: O-T** Paul Finkelman,2009 Alphabetically arranged entries from O to T that explores significant events major persons organizations and political and social movements in African American history from

1896 to the twenty first century **Black Greek-letter Organizations in the Twenty-First Century** Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs **Black Greek Letter Organizations in the Twenty first Century Our Fight Has Just Begun** brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance **Black Greek Letter Organizations in the Twenty first Century** demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead
