

The background of the cover features a large-scale photograph of a nuclear power plant. Two massive, white, hourglass-shaped cooling towers are the central focus, with one in the foreground and another slightly behind it to the left. The plant's complex, including various pipes, smaller structures, and a parking lot, is visible at the base of the towers. The surrounding landscape is green and hilly. The sky is a clear blue. In the top left corner, there is a smaller, stylized image of a cooling tower with a red glow. A red banner in the top right corner contains the text 'Fifth Edition'. The title 'POWER PLANT ENGINEERING' is written in large, bold, yellow letters with a black outline across the middle. Below the title, the author's name 'Er. R.K. Rajput' is printed in white on a red background. A small blue logo with a white 'P' is located in the bottom left corner.
