EIGHTH EDITION

JAMES M. GERE BARRY J. GOODNO

The book cover features a dynamic, low-angle perspective of a modern architectural structure. The structure is composed of large, angular, orange-brown concrete or metal beams that create a series of overlapping planes and voids. Through these openings, a green, grid-like structure, possibly a glass or steel framework, is visible. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the geometric forms and the industrial nature of the materials.
