

Hitting All Three (Part II)

Later, without you, I recreate the sensation of triple stimulation...

It's the middle of summer so I've been wearing as little clothing as possible. Trying to stay cool is my main motivation. Today I wore a thin cotton dress and underwear, nothing else. I was out and about earlier in the day, but always moving slowly to avoid getting sticky in the heat.

I feel so aware of my body in this weather. With every movement, I'm aware of the sensations I feel on my skin. And having started the day having sex in your room only made me more so. Senses heightened.

Returning home sweaty from doing some errands in the neighborhood, I remove my dress. I lie down in front of the fan with a glass of ice water. Air blowing at my body feels so good. I move so that the fan is blowing straight up my body from between my legs. I close my eyes and let this way for a few minutes, letting the fan cool my body and dry the sweat from my skin.

After a little while, I take an ice cube from my drink and rub it over each of my nipples. My nipples burn and harden and the ice starts melting immediately, sending cold streams down my hot abdomen. It's only a matter of seconds before I'm thinking about the hot sex we had earlier today and how desperately I want you. My appetite for having sex with

you is bottomless. Same for you. We want each other constantly. And we have each other as often as we can.

Oh, so now I'm lying here thinking about fucking you. I'm thinking about how it feels when it's your touch on my nipples. When it's your touch between my legs. On my legs. I think about this morning, about how you woke me up. I think about riding you. I think about you being inside of me.

But now I'm alone. I lie still, fantasizing and remembering.

The ice cube has traveled down, down my body, and inside of me. Now it is melting, dripping out of my pussy. I lie still. My only movement is my pussy. And the small movements of my fingers tightening around my nipples.

After a while of experiencing pleasure with hardly any movement, I rise to get my two vibrators. It's time for more action. One is a small bullet style. The other is two pronged. I'm going to use them all.

Fantasizing and remembering has gotten me nicely open. I plunge the larger one deep into my body and rock with it. I'm breathing and breathing and rocking.

I start to feel juices running down over my asshole. It wants attention. I turn on the small vibrator and bring it to my asshole. It accepts it and the tension immediately builds as the two vibrators are pushed up
