First World War Folk Tales:

First World War Folk Tales Taffy Thomas, Helen Watts, 2014-08-04 From 2014 to 2018 people all over the world will be commemorating the 100th anniversary of the outbreak of the First World War They will not only be honouring those who lost their lives on the battlefield between 1914 and 1918 they will also be remembering everyone who played a part in or lived through those troubled times First World War Folk Tales is a very special collection of legends and folk tales from the First World War era This special centenary collection shows how elements of truth can become legend how people often attempt to explain the strange and the mysterious through stories and tales and how storytelling can ease the pain and the burden of war

Old Times, Evil Times J. Endrényi, 2010-04-15 I have often tried to recall how it felt to be ten minutes away from certain death but can only remember that it was beyond ones range of feelings John Endrnyis memoirs dealing with the periods before during and after the Second World War in Hungary describe several such moments of extreme danger During the Nazi period these moments were multiplied and exacerbated for Johns family because of their Jewish origins During the Socialist period after the war everybody was at times emotionally stressed to such an extent that many would cave in and become erratic losing much of their ability to think rationally There have been many memoirs written involving these periods of history Most were by prominent people whose personality and temperament made them more aggressive and assertive than ordinary people would have been under similar circumstances It is less often that one can read the stories of ordinary people whose attitude was at times of stress and danger generally passive at times of stress and danger We were ordinary people exposed to extraordinary events that we could not deal with not to mention control If some of us survived the Nazi times it was most often due to sheer luck Dark periods are easier to survive with a sense of humorthis is illustrated in a number of situations

The Spectacle of Murder: Fact, Fiction and Folk Tales Nermin Ahmed Haikal, Morag Kennedy, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2016 Nothing is more permanent than murder Century long myths have persistently continued adapting to cultural and social changes As early as the seventeenth century novels have been created surrounding the phenomenon of murder due to those in the Victorian era relishing in the gory details of those unfortunate souls Murder makes a good story it sells newspapers books and video games Society immerses itself in the mysterious compulsions of the unhinged mind Like birds we flock to murder sites desperately trying to grasp at the victims last wish or for a chance to step into the killer s shoes However murder no longer hides in plain sight its sadistic menace has corrupted our hard drives Teenagers and adults alike enjoy playing Grand Theft Auto and Call of Duty killing avatars at will The line between reality and virtual reality blurs
