Adrian's Perception Terrence Antoine, 2014-07-11 Today I awoke Like any other day Today was the first and my last day Today is the day that I take my life Today is the day that I take this one last walk I have all the stuff And I will even carry the pain But this isn't no ordinary walk You see this walk defines me It will let you see all of my You will know my naked truth Today in this last walk You will see all I was once a happy child with smiles and cheer I had the mother the father and the sisters to share With family and friends that followed near I had an aunt the loved me o so dear But later that year the tears began to fall And my tears begun to follow so close in the air Right foot left foot Just as easy I lost my dad to the streets that he loved so dear Later she said I love you so dear And she died the aunt that loved me o so dear With less than 15 steps I would take near I would almost lose my mother 3 times that year With father nowhere in sight my sister step in so dear The walk isn't over with more to come 20 more steps and she molested me 5 more and I never trusted no more since then 10 more steps I take And I see me with 10 more suicide attempts Failure came with no success So my heart became depressed With comfort in food and my world Where I found little boy blue As the steps continue my life flashes by All that haunts me and where I said goodbye With 6 more steps I take I found friends but I also found hate Hate from others and yes that includes family and friends With one step that adds seven now I hate myself once more now 18 steps more I take and I end up at a street light Red means stop but with me it means rage With not much more to go now With a flame that use to burn bright with a fellow And yes he was my knight But thought from my head with unexplained truth And the taste for the world Took me 9 step further away When it ended with 25 steps of one night stands And a gift to carry with my souls that is now save But at a cost of family friends and a love life that is no more 5 more steps now and the rode is almost there With the last few tears follow the steps One more step and I stand here With all my secrets exposed And a body that bares it all with the marks and there no end Today I took my last walk And step by step I told my life And I wonder why I am still alive And why he hasn't taken my life or why he won't let me take my own Oddly he speaks to me and says you're not done With every step you took was an obstacle and when I pushed You pushed back Don't give up now when you're almost done I know your story now the world does to Now show them what you can do You beaten the odds over and over again Now this year it's the end you fight once more And my blessed child you shall win Today I awoke with and end insight and now I see I must begin again But this time with happiness insight at the end **Driver** ,1984 Survival
