Nightmares with the Bible Steve A. Wiggins,2020-11-16 Demons Nightmares with the Bible views demons through two lenses that of western religion and that of cinema Sketching out the long fear of demons in western history including the Bible Steve A Wiggins moves on to analyze how popular movies inform our beliefs about demonic forces Beginning with the idea of possession he explores the portrayal of demons from ancient Mesopotamia and the biblical world including in select extra biblical texts and then examines the portrayal of demons in popular horror franchises The Conjuring The Amityville Horror and Paranormal Activity In the final chapter Wiggins looks at movies that followed The Exorcist and offers new perspectives for viewing possession and exorcism Written in non technical language this book is intended for anyone interested in how demons are perceived and how popular culture informs those perceptions There's Something Under the Bed Ursula Bielski,2010-08-05 Why do infants and toddlers seem to have a heightened awareness of the paranormal and an often marked ability to interact with the unknown And why do these qualities and abilities seem to mysteriously disappear during adolescence There s Something Under the Bed explores the often complex relationships between children and the paranormal and focuses special attention on the sometimes startling realities behind children s imaginations This book will help you Distinguish whether your child s imaginary friend is the product of his or her mind a harmless spirit in the house or something more malicious Trace the links between children s ever changing beliefs and folklore fairy tales and popular culture Understand the real phenomena behind ghosts fairies angels and possessions Foster a healthy relationship between your child and the paranormal Protect your children from fear and danger **The Complete Idiot's Guide to Ghosts and Hauntings** Tom Ogden,1999 You re no idiot of course You know Casper was a friendly ghost and that the Phantom Hitchhiker is someone you d rather not meet on a deserted highway late at night But when it comes to knowing the authentic roots of ghost stories and which ones remain unexplained to this day you don t stand a ghost of a chance Don t get spirited away yet The Complete Idiot s Guide to Ghosts and Hauntings is an eerie investigation into the firsthand accounts legends literature and dramatic works surrounding the world of ghosts In this Complete Idiot s Guide you get **Connecticut Town Greens** Eric D. Lehman,2015-08-01 The state of Connecticut has 170 town or village greens that still exist today These greens date back to Colonial times where they served as the physical and spiritual centers for these early towns Today many town greens continue to be the center of town events fairs and other gatherings Connecticut Town Greens will explore the history of these remarkable greens and provide a guide to current events **Delightfully Disturbing Lists about the Paranormal and Unexplained** Heather E. Schwartz,2025-08 Are ghosts aliens and creepy cryptids out there or are they just figments of our imaginations Lists let kids explore legends and sightings and make up their own minds **A Brief Guide to Ghost Hunting** Leo Ruickbie,2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the

Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more

**Legend and Belief** Linda Dégh, 2001-11-14 Industrial advancement has not changed the basic fragility of human life and the commercialization and consumer orientation of the mass media has actually helped legends travel faster and farther Legends are communicated not only orally face to face but also in the press on radio and television on countless Web sites and by e mail perpetuating new waves of the culture of fear

**BOOK JACKET** *A Walk On The Wild Side* Gary Williams, 2018-06-29 at this point I knew that a paranormal voice totally independent from the medium was speaking in mid space in my blacked out bedroom The next question would be who was speaking *A Walk On The Wild Side* is a compilation of Gary Williams experiences with paranormal and psychic phenomena over a fifty year period It includes his involvement with the UFO phenomena predictions of the future made to him by psychics that came true years later and his encounters with ghosts and poltergeists

**If You Should Go at Midnight** Jeffrey S. Debies-Carl, 2023-04-21 Tonight across America countless people will embark on an adventure They will prowl among overgrown headstones in forgotten graveyards stalk through darkened woods and wildlands and creep down the crumbling corridors of abandoned buildings They have set forth in search of a profound paranormal experience and may seem to achieve just that They are part of the growing cultural phenomenon called legend tripping In *If You Should Go at Midnight* Legends and Legend Tripping in America author Jeffrey S Debies Carl guides readers through an exploration of legend tripping drawing on years of scholarship documentary accounts and his own extensive fieldwork Poring over old reports and legends sleeping in haunted inns and trekking through wilderness full of cannibal mutants and strange beasts Debies Carl provides an in depth analysis of this practice that has long fascinated scholars yet remains a mystery to many observers Debies Carl argues that legend trips are important social practices Unlike traditional rites of passage they reflect the modern world revealing both its problems

and its virtues In society as well as in legend tripping there is ambiguity conflict crisis of meaning and the substitution of debate for social consensus Conversely both emphasize individual agency and values even in spiritual matters While people still need meaningful and transformative experiences authoritative traditional institutions are less capable of providing them Instead legend trippers voluntarily search for individually meaningful experiences and actively participate in shaping and interpreting those experiences for themselves *The Everything Ghost Hunting Book* Melissa Martin Ellis,2014-06-15 All you need to track and record paranormal activity Ectoplasm cold spots orbs everyone loves a real life ghost story Ghosthunter Melissa Martin Ellis takes you on an exciting journey into the supernatural world of haunted sites restless souls and messages from beyond the grave You ll learn about the most up to date technology such as motion sensors and highly sensitive digital cameras as well as the supernatural phenomena themselves including Poltergeists Electronic voice phenomena EVP Possession Photo anomalies Seances and voodoo rituals With expert advice on everything from picking a haunted location to setting up cameras and dealing with unwieldy ghosts *The Everything Ghost Hunting Book 2nd Edition* shows you how today s investigators use the tools of modern science to study a wide range of paranormal activity
