yards may be a full 7 or 8 iron for many women But the short game provides a wonderful opportunity for women to even the playing field A good short game can compensate for a multitude of mistakes and take a lot of pressure off the full swing By identifying strengths and weaknesses from the smallest stroke to the largest swing and applying simple methods for quick skill improvement you will learn to self correct and better manage your own golf game Beginning with advice on making better decisions about shot selection and practice techniques from fairway and bunker to green The Women s Guide to Lower Scores will take players through the steps they need to conquer the game and bring on the lower scores **Golf For**
