

Good S On Chinese History

H Kauffman

Good S On Chinese History:

Routledge Handbook of Imperial Chinese History Victor Cunrui Xiong, Kenneth Hammond, 2018-09-17 The resurgence of modern China has generated much interest not only in the country's present day activities but also in its long history. As the only uninterrupted ancient civilization still alive today, the study of China's past promises to offer invaluable insights into understanding contemporary China. Providing coverage of the entire Imperial Era 221 BCE–1912 CE, this handbook takes a chronological approach. It includes comprehensive analysis of all major periods from the powerful Han empire which rivalled Rome and the crucial transformative period of the Five Dynasties to the prosperous Ming era and the later dominance of the non-Han peoples. With contributions from a team of international authors, key themes include Political events and leadership, Religion and philosophy, Cultural and literary achievements, Legal, economic and military institutions. This book transcends the traditional boundaries of historiography, giving special attention to the role of archaeology. As such, the *Routledge Handbook of Imperial Chinese History* is an indispensable reference work for students and scholars of Chinese, Asian and World History.

Routledge Handbook of Early Chinese History Paul R. Goldin, 2018-05-15 The study of early China has been radically transformed over the past fifty years by archaeological discoveries including both textual and non-textual artefacts. Excavations of settlements and tombs have demonstrated that most people did not lead their lives in accordance with ritual canons, while previously unknown documents have shown that most received histories were written retrospectively by victors and present a correspondingly anachronistic perspective. This handbook provides an authoritative survey of the major periods of Chinese history from the Neolithic era to the fall of the Latter Han Empire and the end of antiquity AD 220. It is the first volume to include not only a comprehensive review of political history but also detailed treatments of topics that transcend particular historical periods such as Warfare and political thought, Cities and agriculture, Language and art, Medicine and mathematics. Providing a detailed analysis of the most up-to-date research by leading scholars in the field of early Chinese history, this book will be useful to students and scholars of Chinese history, Asian archaeology and Chinese studies in general.

A Brief Modern Chinese History Haipeng Zhai, Jinyi Zhang, 2020-10-20 This book is part of an initiative in cooperation with renowned Chinese publishers to make fundamental formative and influential Chinese thinkers available to a western readership, providing absorbing insights into Chinese reflections of late Haipeng Zhang and Jinyi Zhai provide us with a history of China's struggle for national independence and prosperity, reflecting the humiliation in the sinking period and the struggle during the rising period. After the Japanese aggressions against China had caused more damage to China than all previous invasions, Chinese society not only avoided the continued sinking but also laid the foundation for China's modernization and the recent success story to the present day.

Telling Chinese History Frederic E. Wakeman, 2009-03-10 Frederic Wakeman's scholarship is impeccable and the breadth of learning in this book is astounding. I repeatedly found myself slowing down to savor the material. Many of the essays in this collection are no longer easily

accessible and placing them together in a single volume will be a great benefit to the next generation of students and scholars Joseph W Escherick author of The Origins of the Boxer Uprising This book brings together the best of Frederic Wakeman s articles all of which are beautifully written and represent the remarkable breadth of Wakeman s research The opportunity to read them together sheds new light on Chinese history and on the thought processes of one of the West s greatest historians Madeleine Zelin Director of the East Asian National Resource Center at Columbia University Chinese History and Culture Ying-shih Yü,2016-09-20 The recipient of the Kluge Prize for lifetime achievement in the humanities and the Tang Prize for revolutionary research in Sinology Ying shih Y is a premier scholar of Chinese studies Chinese History and Culture volumes 1 and 2 bring his extraordinary oeuvre to English speaking readers Spanning two thousand years of social intellectual and political change the essays in these volumes investigate two central questions through all aspects of Chinese life what core values sustained this ancient civilization through centuries of upheaval and in what ways did these values survive in modern times From Y Ying shih s perspective the Dao or the Way constitutes the inner core of Chinese civilization His work explores the unique dynamics between Chinese intellectuals discourse on the Dao or moral principles for a symbolized ideal world order and their criticism of contemporary reality throughout Chinese history Volume 1 of Chinese History and Culture explores how the Dao was reformulated expanded defended and preserved by Chinese intellectuals up to the seventeenth century guiding them through history s darkest turns Essays incorporate the evolving conception of the soul and the afterlife in pre and post Buddhist China the significance of eating practices and social etiquette the move toward greater individualism the rise of the Neo Daoist movement the spread of Confucian ethics and the growth of merchant culture and capitalism A true panorama of Chinese culture s continuities and transition Y Ying shih s two volume Chinese History and Culture gives readers of all backgrounds a unique education in the meaning of Chinese civilization

Encyclopedia of Chinese History Michael Dillon,2016-12-01 China has become accessible to the west in the last twenty years in a way that was not possible in the previous thirty The number of westerners travelling to China to study for business or for tourism has increased dramatically and there has been a corresponding increase in interest in Chinese culture society and economy and increasing coverage of contemporary China in the media Our understanding of China s history has also been evolving The study of history in the People s Republic of China during the Mao Zedong period was strictly regulated and primary sources were rarely available to westerners or even to most Chinese historians Now that the Chinese archives are open to researchers there is a growing body of academic expertise on history in China that is open to western analysis and historical methods This has in many ways changed the way that Chinese history particularly the modern period is viewed The Encyclopedia of Chinese History covers the entire span of Chinese history from the period known primarily through archaeology to the present day Treating Chinese history in the broadest sense the Encyclopedia includes coverage of the frontier regions of Manchuria Mongolia Xinjiang and Tibet that have played such an important role in the history of China

Proper and will also include material on Taiwan and on the Chinese diaspora In A Z format with entries written by experts in the field of Chinese Studies the Encyclopedia will be an invaluable resource for students of Chinese history politics and culture

Sources in Chinese History David Atwill, Yurong Atwill, 2021-03-03 *Sources in Chinese History* now in its second edition has been updated to include re translations of over a third of the documents It also incorporates nearly 40 new sources that work to familiarize readers with the key events personages and themes of modern China Organized thematically the volume examines China s complex history from the rise of the Qing dynasty in the mid seventeenth century through the formation of the People s Republic of China up to the present Each chapter begins with an annotated visual source followed by a chapter introduction and analysis of textual sources allowing students to explore different types of sources and topics *Sources in Chinese History* contextualizes the issues trends and challenges of each particular period Special attention has been made to incorporate a variety of viewpoints which challenge standard accounts Non traditional documents such as movie dialogues are also included which aim to encourage students to reconsider historical events and trends in Chinese history This volume includes a variety of sources such as maps posters film scripts memorials and political cartoons and advertisements that make this book the perfect introductory aid for students of Chinese history politics and culture as well as Chinese studies after 1600

A Companion to Chinese History Michael Szonyi, 2017-02-06 *A Companion to Chinese History* presents a collection of essays offering a comprehensive overview of the latest intellectual developments in the study of China s history from the ancient past up until the present day Covers the major trends in the study of Chinese history from antiquity to the present day Considers the latest scholarship of historians working in China and around the world Explores a variety of long range questions and themes which serves to bridge the conventional divide between China s traditional and modern eras Addresses China s connections with other nations and regions and enables non specialists to make comparisons with their own fields Features discussion of traditional topics and chronological approaches as well as newer themes such as Chinese history in relation to sexuality national identity and the environment

Broadening the Horizons of Chinese History Ray Huang, 2016-07-01 Gathered here are research papers speeches and lecture notes a multifaceted survey of Chinese history embracing a wide range of subjects from historical antecedents relevant Western experience and recent revelations to locus classicus and statistics All lead to Huang s grand synthesis That the one and a half century long Chinese revolution is nearing fulfillment as Chinese civilization merges with Western history While not everyone will agree with Ray Huang no one who is seriously concerned with these issues can afford to ignore the provocative and erudite challenge of his vision

A Sketch of Chinese History Karl Friedrich August Gützlaff, 1834
