Good Practice Guidelines:

Good Practice Guidelines Deborah Higgins, 2017 *Good Practice Guidelines for Agricultural Leasing Arrangements* N. Ravenscroft, Food and Agriculture Organization of the United Nations, 2001-01-01 The information in this booklet is designed to assist governments and civil society in understanding how agricultural leasing and related agreements work and what the advantages are of providing an appropriate framework for equitable arrangements that balance the interests of the parties involved generally the tenant and the landowner The guidelines therefore deal with the contextual and policy issues surrounding agricultural leasing but also focus on providing a practical and up to date guide and commentary on those issues that need to be considered by both landlord and tenant when negotiating over the leasing of agricultural land *The Good Practice Guide to Therapeutic Activities with Older People in Care Settings* Tessa Perrin, 2017-07-05 Offers a guideline on what constitutes good practice in activity provision This guide presents a benchmark against which activity providers can measure and evaluate their practice clear links to national standards and guidance for care home owners who wish to respond to the government initiatives on providing activities for their clients **DAC Guidelines and Reference Series**

Applying Strategic Environmental Assessment Good Practice Guidance for Development Co-operation

OECD, 2006-11-10 This Guidance volume explains the benefits of using SEA in development co operation and sets out key steps for its application based on recent experiences **Clinical Practice Guidelines** Institute of Medicine, Committee to Advise the Public Health Service on Clinical Practice Guidelines, 1990-02-01 The Alberta clinical practice guidelines program is supporting appropriate effective and quality medical care in Alberta through promotion development and implementation of evidence based clinical practice guidelines **Best Practice Guidelines for Doctoral Programs** Ian J. Shaw, Scott Cunningham, Bernhard Ott, 2015-10-14 A second reformation in global theology is currently taking place In the Majority World evangelical theological education is growing rapidly and increasing its global impact Scholars are applying the fruits of their research in Biblical and theological fields to their contexts to serve the needs of theological students and churches and their leaders One of the most significant trends within this growth of global theological education is the increasing emergence of evangelical doctoral programs Starting with a major consultation in Beirut in 2010 ICETE s Doctoral Initiative has been working to provide resources to develop and equip these programs This book contains the results of that work including the Beirut Benchmarks for Research Doctoral Programs 2010 the Beirut Benchmarks for Professional Doctorates 2011 and a well developed series of statements on best practices which explain amplify and help apply the Benchmarks Written out of a commitment to excellence and a belief that such excellence is honouring to God and of service to His Church this work will benefit doctoral programs students and supervisors working both in the Majority World and the West **Good practices guidelines for data collection systems to support sustainable inland and recreational fisheries in the Western Balkans region** Visser, T.A.M, Valbo-Jorgensen, J., Chomo, V., 2021-02-26 These guidelines illustrate recommendations for

good practices on data collection in Eastern European inland fisheries and in particular the Western Balkan region based on the methodologies and approaches used in countries throughout Europe and from FAO experience of inland fisheries in other regions They provide guidance on the options available to inland fishery managers based on particular circumstances i e commercial fishing or recreational use and they are especially relevant for assisting the economies in transition in Europe Caucasus and Central Asia These guidelines are not an overarching work on inland fisheries management nor do they provide advice on the environmental aspects or competing uses of inland water bodies They focus on issues of data collection to support fishery managers whether they be government agencies fishers or angler associations co responsible for the management of inland resources in European rivers and lakes Best Practice Guidelines for Theological Libraries Serving Doctoral Programs Katharina Penner,2021-11-25 Libraries and librarians are indispensable to student learning and the formation of researchers at the doctoral level This book identifies five areas and sixteen principles that need to be considered by theological schools when optimizing library operations to serve doctoral programs As an illustration of these principles the book provides narratives from four theological libraries in Nairobi Hong Kong Bangalore and Amsterdam that have successfully transitioned to serve doctoral programs The contributors present tested best practice alongside their successful experiences pioneering libraries that serve doctoral programs in challenging situations An invaluable training resource for Majority World librarians this book also offers insight into quality guidelines for accreditation agencies supporting theological institutions in developing robust and flourishing programs *Good Practice Guidelines 2013* Business Continuity Institute,2013 OECD Best Practice Guidelines for Biological Resource Centres OECD,2007-03-28 These best practice guidelines are intended to serve as a target for the quality management of biological resource center collections They are the result of discussions held by OECD member countries together with a number of key partner countries
