Tobin,Dennis R. Ybarra,2008-07-31 School textbooks in Iran Saudi Arabia Egypt and elsewhere in the Arab and Muslim worlds are filled with anti Western and anti Israel propaganda Most readers will be shocked to discover that history and geography textbooks widely used in America s elementary and secondary classrooms contain some of the very same inaccuracies about Jews Judaism and Israel Did you know that there is no record of any important Jewish contribution to the sciences World Civilizations Thomson Wadsworth Or that Christianity was started by a young Palestinian named Jesus The World Scott Foresman Pearson Supplemental materials and other classroom influences are even worse The Trouble with Textbooks exposes the poor scholarship and untruths in textbooks about Jews and Israel The problems uncovered in this ground breaking analysis are instructive and illustrate the need for reform in the way textbooks are developed written marketed and distributed Substitute another area how we teach American history Western civilization or comparative religion and we have another equally intriguing case study The Trouble with Textbooks shows what can go terribly wrong in discussing religion geography culture or history and in this case all of them The Trouble with Textbooks tells a cautionary tale for all readers whatever their background of how textbooks that Americans depend on to infuse young people with the values for good citizenship and to help acculturate students into the multicultural salad that is American life instead disparage some groups and teach historical distortions With millions of young people using these textbooks each year the denigration of some should be a concern for all **Holt World History** ,2003-06 **The New Politics of the Textbook** Heather Hickman,Brad J. Porfilio,2012-10-13 In an age of unprecedented corporate and political control over life inside of educational institutions this book provides a needed intervention to investigate how the economic and political elite use traditional artifacts in K 16 schools to perpetuate their interests at the expense of minoritized social groups The contributors provide a comprehensive examination of how textbooks the most dominant cultural force in which corporations and political leaders impact the schooling curricula shape students thoughts and behavior perpetuate power in dominant groups and trivialize social groups who are oppressed on the structural axes of race class gender sexuality and disability Several contributors also generate critical insight in how power shapes the production of textbooks and evaluate whether textbooks still perpetuate dominant Western narratives that normalize and privilege patriotism militarism consumerism White supremacy heterosexism rugged individualism technology and a positivistic conception of the world Finally the book highlights several textbooks that challenge readers to rethink their stereotypical views of the Other to reflect upon the constitutive forces causing oppression in schools and in the wider society

and to reflect upon how to challenge corporate and political dominance over knowledge production Classroom Strategies for Interactive Learning Doug Buehl,2023-10-10 Educators across all content areas have turned to Classroom Strategies for Interactive Learning for almost two decades The fourth edition delivers rich practical and research based strategies that readers have found invaluable in today s classrooms Author Doug Buehl has written all new chapters that focus on the instructional shifts taking place as the Common Core State Standards are implemented across the United States These introductory chapters will help you do the following Understand research based comprehension strategies for content classrooms Tap into students background knowledge to build upon and enhance comprehension of complex texts Teach students how to question a text Teach reading and thinking through a disciplinary lens At the heart of this edition are more than 40 classroom strategies with variations and strategy indexes that identify the instructional focus of each strategy pinpoint the text frames in play as students read and learn and correlate students comprehension processes In addition each strategy is cross referenced with the Common Core s reading writing speaking listening and language standards *World History* Holt Rinehart & Winston,Holt, Rinehart and Winston Staff,2003 **Dismantling Orientalist Representations in US Education** Daniel Osborn,2024-09-30 This book examines the evolving role played by the social studies classroom in shaping national identity and contributing to Orientalism which depicts the peoples of the Middle East as the Other relative to those of the United States and Europe Building upon the momentum of critical approaches to examining the nature of knowledge the role of schools in society and the trends within social studies education and its hidden curriculum the volume crucially shifts the focus toward a more global emphasis examining the nature of Orientalism and the school as a setting where Orientalist logic and assumptions about the Middle East and its inhabitants are reified Focusing on the ecosystem of social studies knowledge production and working within the sociology of knowledge it traces this evolution across the 19th 20th and 21st centuries A novel and unique exploration of knowledge construction and presenting a vision for a more nuanced and multifaceted portrayal of the Middle East that corrects for the deleterious aspects of Orientalism while avoiding a romanticized apologetic it will appeal to scholars researchers and educators with interests in decolonizing education social studies education the history of education and race and ethnicity studies *United States History, Grades 6-8 Readings in World History* Holt McDougal,1999-08-20 **Holt World History: The Human Journey** Holt Rinehart & Winston,2002 **Children's Books in Print, 2007** ,2006 *Holt World History* ,2005 **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12
