## Holz Hollywood 30 Years Portraits:

**Holz Hollywood** George Holz, 2015-10-28 George Holz's photographic career has spanned over three decades. A graduate of the Art Center College of Design, his fashion editorials have appeared in Harper's Bazaar, Vogue, Italia and Vanity Fair. He has shot countless advertising campaigns, movie posters, and album covers. His nudes have been shown in gallery and museum exhibitions around the world. Holz Hollywood is the true Hollywood story of George Holz, protégé of Helmut Newton and one of the famous Three Boys from Pasadena. Holz Hollywood is a rich narrative of celebrity portraiture spanning over three decades. Renate Gruber describes his images as having an unexplainable elegance in a very European style, full of allure and elite imagery that is above reality. Holz Hollywood conveys his intense admiration of and respect for his subjects, revealing portraits of the world's elite: film stars, athletes, and musicians. Holz's portraits are a virtual Who's Who of Hollywood, including Angelina Jolie, Jack Nicholson, Cameron Diaz, Madonna, Brad Pitt, Antonio Banderas, and countless others. In Holz Hollywood, Grammy Award winner George Holz presents an intimate glimpse into a glamorous world. Limited to just 100 copies, this stunning deluxe edition comes in a box with three prints: one of the charismatic Jack Nicholson, one of pop music queen Madonna, and another of Hollywood goddess Cameron Diaz.

**The Film Daily Year Book of Motion Pictures**, 1963  
FACES: Photography and the Art of Portraiture Paul Fuqua, Steven Biver, 2013-05-02 There is so much detail to be captured in a face. Cicero 106-43 BC said: "The face is a picture of the mind; as the eyes are its interpreter." To capture a person's personality, there are many things to keep in mind, and the authors of FACES show us how to match up a personality with lighting, posing, and composition. Portraiture is truly an art, and this book dives deep into the details so that you end up with a gorgeous portrait that both you and your subject love. Not only is this book the most comprehensive title available on portraiture, but it contains stunning images. Each image is paired with a lighting diagram, a description of why the type of image was chosen, and then takes you through postproduction to put the finishing touches on it. The authors also showcase a gallery of portraits by renowned photographers.
