### **The Spirit-Filled Small Group**

Joel Comiskey,2009-11 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only God s supernatural power can draw people to the truth and liberate them to be all that God wants them to be Only through the Spirit s power can we expect to see the miracles that Jesus talked about when He said that if we would abide in Him we would bear much fruit and even do greater works than He did while He was on earth The key distinction of this book is the spiritual perspective it gives to small

group ministry So much of the literature about small groups relates to small group technique and only touches briefly on the Spirit's power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The book's first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1:8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts Small group facilitators often feel ill prepared to identify spiritual gifts of the people in the group I firmly believe that the small group atmosphere is the perfect place to develop the gifts of the Spirit in each member's life and so it is essential that the facilitator know how to do this Whatever denominational or non denominational label a church wears the most important characteristic in my opinion is promoting individual sensitivity devotion and dependence on the Holy Spirit In a Holy Spirit charged atmosphere cell leaders are best raised up and members are encouraged to minister in their giftedness This book has been written for those who are leading facilitating a small group participating in a small group or considering joining a small group Group members should read this book for two particular reasons First members make a significant contribution to the life of the cell Each member will be intimately involved in causing supernatural events to happen using the gifts intercession etc In the life of the group no one is to sit back and do nothing The best cell leaders in fact rarely lead the entire cell instead encouraging cell members to participate actively Second members are the next in line to actually lead the small group I am assuming that the readers of this book are believers who desire God and are seeking to walk in the Spirit I am also assuming that those reading this book are studying the Bible and growing in their relationships with the Lord There are many great books dedicated to defining each spiritual gift in detail Many other authors cover gifts beyond the scope of this book such as voluntary poverty hospitality celibacy missions exorcism martyrdom artistic creativity craftsmanship and music Rather than cover every possible gift this book will focus on how the Spirit uses gifts in the small group context and guides the leader to facilitate a Spirit filled group Because this book is written to lay leadership rather than senior leaders of the Church I will not cover in detail the five fold offices that Paul mentioned in Ephesians 4:8 Instead the gifts I will cover in this book are explicitly listed in Scripture the one exception is intercessory prayer which I call a spiritual gift although some would disagree

*2000 Years of Small Groups* Joel Comiskey, 2015-10-03 This book explores how God has used small groups throughout church history specifically focusing on the early church to the present time God not only established the early church as a house to house movement but he also has used small groups throughout church history This book chronicles the small group or cell movement from Jesus all the way to the modern day cell explosion

Themes include Small Groups In Biblical History Small Groups In Early Christian History Small Groups and Monasticism Small Groups During the Pre Reformation Period Luther and Small Groups Martin Bucer and Small Groups The Anabaptist Movement Puritan Conventicles Pietism The Moravians The Methodists Modern House Churches Small Groups in North America The Modern Day Cell Church This book will both critique the strengths and weaknesses of these historical movements and apply principles to today's church You will grow in appreciation and understanding of key small group principles from those pioneers who have paved the way You will also learn to value those movers and shakers who faced far greater odds to implement small groups than the difficulties confronted today Many have struggled with the same things you're wrestling with now And just like they found solutions in the face of persecution and trial God will help you to persevere find solutions and ultimately bear abundant fruit for his kingdom and glory [Making Cell Groups Work Navigation Guide](#) Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27 This is an expanded 624 page reference tool for the 8 stage transition process found in *How Do We Get There From Here* formerly titled *Making Cell Groups Work* This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition *Children in Cell Ministry* Joel Comiskey, 2015-11-14 In this ground breaking book Joel Comiskey challenges pastors and leaders to move from simply educating children to forming them into disciples who make disciples Comiskey lays out the Biblical base for children's ministry and then encourages pastors and leaders to formulate their own vision and philosophy for ministry to children based on the Biblical text Comiskey highlights how to disciple children in both the large group and the small group He quickly moves into practical examples of intergenerational cell groups and how effective cell churches have implemented this type of group He then writes about children only cell groups citing many practical examples from some of the most effective cell churches in the world Comiskey covers equipping for children how to equip the parents and mistakes in working with children in the cell church This is a must read book for all those wanting to minister to children both in large and small groups *MOS 2016 Study Guide for Microsoft Excel* Joan Lambert, 2016-10-10 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book Advance your everyday proficiency with Excel 2016 And earn the credential that proves it Demonstrate your expertise with Microsoft Excel Designed to help you practice and prepare for Microsoft Office Specialist MOS Excel 2016 Core certification this official Study Guide delivers In depth preparation for each MOS objective Detailed procedures to help build the skills measured by the exam Hands on tasks to practice what you've learned Practice files and sample solutions Sharpen the skills
