make a diet plan that's balanced, nutritious and keeps you engaged. The book will explain how to ditch the added sugars and enjoy the natural flavors of food and help you set up a food plan for a balanced, unprocessed life. It also details the use of fasting in your diet and explains how mindfulness and mental rest can help you reach your goals. Best of all, this book doesn't just tell you to eat or avoid certain things; it gives you a detailed scientific reason why you should or should not have certain foods and drinks in your meal plan. No more "because I said so" or "according to X blogger." Everything in these pages is backed by food and nutrition science, explained simply and broken down to easily digestible bites. That's not to say the process is easy. You're training your own mind to enjoy the taste of unsweetened, unprocessed, untainted foods, and that takes time and energy. Everything will be explained in positive, simple steps you can take to better your life. This book is for the reader who wants to eat well and live better but who wasn't sure where or how to start. This is the starting line. Get ready. Get set. Go.
