The Routledge Companion to Tour Guiding Shailja Sharma, 2025-08-29 This comprehensive handbook offers an in depth exploration of both the theoretical and practical dimensions of tour guiding as a

profession It provides readers with valuable insights into examining the key and dynamic role of tour guides in the tourism industry and the evolving expectations of modern travelers Enriched with global case studies spanning a diverse range of niche tours offered as tourism products around the world the book highlights emerging trends and the importance of continuous skill development in the profession It covers topics such as pre tour preparations the art of effectively opening and closing tours engaging narration at attractions the importance of technology for tour guides and the nuances of managing diverse groups Additionally it delves into the growing practice of virtual tour guiding and offers practical guidance on addressing guest inquiries managing grievances and handling emergencies besides addressing the new emerging trends in the field of tour guiding This companion is designed for students and educators in tourism travel and hospitality management programs worldwide It serves as a valuable training manual for national regional and local tourism authorities as well as tour operators and travel agencies Furthermore both seasoned professionals and aspiring tour guides will find it an essential reference to refine their skills and stay updated with contemporary best practices

Proceedings of The 5th International Conference on Linguistics and Cultural Studies 5 (ICLC-5 2024) Muhammad Hasyim,Mardi Adi Armin,Yusuf Yusuf,2025-05-19 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices

utilizing cultural promotion objects accelerating institutional reform and increasing the government's role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar
