grand scheme of things That is God wanted it that way and therefore that the victim shouldn't be allowed to terminate such a pregnancy Unlike most books this is not one long continuous story One need not necessarily start reading from page one or chapter one successively to the last One can jump around or even begin with the last chapter Every chapter is a stand alone chapter There is no continuity to worry about if you decide to read the book in a sort of haphazard manner You're going to encounter unbelievable dumbassness of our politicians on every page Politicians and other leaders of society may get away with having the morals and ethics of alley cats but I'll be damned if I'll let them get away with the immaturity of pre adolescents and the dumbassness of a jackass This is my raison d'être or if you want to be religious about it it's my calling Let me add that had my sense of self preservation not been so heightened I'd have moved to Russia to take on Emperor Vladimir Putin But I don't like having Polonium 210 as part of my diet Thank you and enjoy Kabembo Chinku **Italy** International Monetary Fund.
