You've been happy for the most part, but for a long time you felt there was something missing. Maybe you couldn't put your finger on what the problem was, but you sensed there was more to you than you'd ever admitted. One day something pointed you in the direction of the D/s lifestyle. It could have been a picture you saw of a woman kneeling with her hands cuffed behind her back, that paperback novel you picked up and couldn't put down, or one of the feature shows on late night HBO that dealt with dominance or submission. Since that day or night you haven't been able to get it off your mind. You've browsed the web and seen various articles on the subject and said, "Yes, that's how I feel, or I've had those feelings all my life, and didn't know what they were." You agonized about telling your lover, spouse, or partner about this hunger you had to explore a part of yourself you'd hidden for so long, for fear of being rejected, or worse. Finally, you couldn't hold back any longer. You made your feelings known, perhaps using one of the techniques found in *Introducing Your Mate to D/s* chapter, and were surprised when your mate confessed they'd felt the same way but were afraid to admit it too. Suddenly, the whole relationship changes, and you're both eager to begin this new exploration together. But there's one problem: Where do we start? **BDSM For Beginners** More Sex More Fun Book Club, 2023-07-10 Pain and pleasure, Punishment and reward. Is that what BDSM is all about?
