How To Hear Gods Voice Manual:

Hearing God's Voice Pius Joseph, 2019-05-11 It breaks my heart each time I meet a believer and he says I do not hear the voice of God It burdens me Who is lying God who says he will always speak to you and guide you by his voice or you the child of God who failed to understand that the voice of God is a covenant which you are entitled to Even though the believer may have read several manuals on hearing the voice of God he is left with more theories than practical applications From the day you got saved God s voice is supposed to be opened to you It isn t supposed to be a struggle because if your earthly father speaks to you why won t God How to hear the voice of God will actually be easy if you understand certain principles of the Bible The Bible says the entrance of the word brings light As the light of God makes an entrance into your heart illumination will drive out every darkness that prevents you from hearing his voice Hearing God can actually be simplified Rather than leaving you with the principle of how to this book gives you a simple guide on how to hear the voice of God Through this book you will learn how to Create the atmosphere for God to speak to you Discern the voice of God Train yourself to hear the voice of God The kind of attitude to maintain that provoke the voice of God in your ears Know what to do when God hasn t started speaking to you Understand the various ways God uses to talk to you What to do when God is talking to you Understanding hindrances to hearing the voice of God Understand why God stopped speaking to some believers and lots more If you have not been hearing the voice of God this book is the right tool that you need If you want to take your hearing of God s voice to the next level this is the book you need Get a copy then transform your hearing of the voice of God

God's Voice Riaan Engelbrecht, 2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn t speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen
