30 Secrets to Interpreting Your Dreams Hanson Asiedu, 2021-05-11 Some years ago I began to have a deeper

dream life and was having dreams that I couldn't get to the bottom of. Albeit a secondary means of communication I knew that God was highlighting things to me through my dreams which required investigation I began to search them out and it was at this point that I stumbled upon the problem that this book aims to bring solution to. THE PROBLEM I spoke to people including church leaders about my dreams but they either brushed them off or were unable to offer me any insight or point me in the right direction. Those who could offer some interpretation were unable to show me their workings out so that I could learn to interpret for myself. Teach me how to fish don't just give me the fish. There were a lot of dodgy and ungodly dream interpretation websites and resources online that centred around the universe and other new age practices I came across some Christian material and dream dictionaries. Although the dream dictionaries were helpful they could only tell me that a dream symbol COULD mean one thing or another I needed absolutes or a way of knowing what the dream pointed to not only that something could mean a number of things. There were no guiding principles systems or a framework to use as an aid. It was then that God took me on a journey of discovery and study based on the work of John Paul Jackson and Amy Coello. This book will give you tools and a framework for approaching dream interpretation beyond merely symbols. You will learn Why you need to title your dreams How to know the focus and sub focus in a dream Why you might not remember your dreams The Purpose of dreams Happy dreaming *How to Interpret Dreams* Adams Media, 2017-02-07 Learn how to decipher the meanings behind your dreams with this engaging new guide.
