the reader guessing until the last page in which a woman who's lost her memory is back home with a family she doesn't know who are keeping secrets of their own. The truth is hiding between the lies. What would you do if you woke up and didn't know who you were? Chloe Daniels regains consciousness in a hospital with no memory of how she got there. She doesn't recognise the strangers who call themselves family. She can't even remember her own name. What if your past remained a mystery? As she slowly recovers, her parents and sister begin to share details of her life: The successful career, The seaside home, The near fatal car crash. But Chloe senses they're keeping dark secrets and her determination to uncover the truth will have devastating consequences. What if the people you should be able to trust are lying to you?
