York,2001-02-01 Whether preaching or witnessing speaking is a critical communication tool in

almost all facets of Christian life This book brings the Bold Assurance concept to Christian leaders and laypeople giving them a tool to help them use their minds mouths and beings to communicate effectively Readers will learn the tools for powerful and effective communication based on two things biblical truth and proven concepts from the business world For the first time Christian laypeople and leaders alike can reap the benefits of speaking boldly and skillfully by understanding how God uses us as communicators Nourishment Fred Provenza,2018-11-26 Nourishment will change the way you eat and the way you think Mark Schatzker author of The Dorito Effect Provenza is a wise observer of the land and the animals and becomes transformed to learn the meaning of life Temple Grandin Reflections on feeding body and spirit in a world of change Animal scientists have long considered domestic livestock to be too dumb to know how to eat right but the lifetime research of animal behaviorist Fred Provenza and his colleagues has debunked this myth Their work shows that when given a choice of natural foods livestock have an astoundingly refined palate nibbling through the day on as many as fifty kinds of grasses forbs and shrubs to meet their nutritional needs with remarkable precision In Nourishment Provenza presents his thesis of the wisdom body a wisdom that links flavor feedback relationships at a cellular level with biochemically rich foods to meet the body s nutritional and medicinal needs Provenza explores the fascinating complexity of these relationships as he raises and answers thought provoking questions about what we can learn from animals about nutritional wisdom What kinds of memories form the basis for how herbivores and humans recognize foods Can a body develop nutritional and medicinal memories in utero and early in life Do humans still possess the wisdom to select nourishing diets or has that ability been hijacked by nutritional authorities Is taking supplements and enriching and fortifying foods helping us or is it hurting us On a broader scale Provenza explores the relationships among facets of complex poorly understood ever changing ecological social and economic systems in light of an unpredictable future To what degree do we lose contact with life sustaining energies when the foods we eat come from anywhere but where we live To what degree do we lose the mythological relationship that links us physically and spiritually with Mother Earth who nurtures our lives Provenza s paradigm changing exploration of these questions has implications that could vastly improve our health through a simple change in the way we view our relationships with the plants and animals we eat Nourishment is a conversation between science culture and a greater spiritual or cosmological umbrella Montana Public Radio *Preaching with Bold Assurance* Hershael W. York,Bert Decker,2003-06-01 Preachers are under the biblical mandate to preach with conviction passion and in a way that the Word of God engages the audience and grips their hearts Hershael York and Bert Decker have written a book that will equip preachers to do just that Preaching with Bold Assurance brings the Bold Assurance concept to the pulpit giving preachers a practical tool to help them use their minds mouths and beings to communicate effectively Preachers will learn the tools for powerful and effective communication based on biblical truth and proven concepts from the business world so they can preach boldly and skillfully by understanding how God uses us as communicators Instant Manager: Overcoming
