**Seattle Meth and Car Theft** Tracy Marks, 2011-02-16 This is a story of how I got started on meth and how quickly things spun out of control until I was living on the streets, which eventually progressed into crime while living out of stolen cars. The cycle of drugs, crime, and prison goes on for years; finally, I hit treatment. After treatment, I find success and a new way to live until I relapse, but I look at addiction through a new set of eyes. I humanized the addict but would never ask for the reader's sympathy because this is a story solely written to exploit the underground drug world and property crimes of addicts. This book is meant to give society a raw and uncut look into a car thief's world. Exposing reasons of why cars are stolen, how they are stolen, and what happens to cars after they are stolen. An inside look into street crime. This story is engaging from the very first page and leaves the reader always wanting more. Targeting anyone who has had someone close to them with a meth addiction and more importantly for those who live in cities and own a vehicle.

companies optimal bankruptcy procedure and the allocation of voting rights across a company's shares The book is written in a fairly non technical style and includes many examples It is aimed at advanced undergraduate and graduate students academic and business economists and lawyers as well as those with an interest in corporate finance privatization and regulation and transitional issues in Eastern Europe the former Soviet Union and China Little background knowledge is required since the concepts are developed as the book progresses and the existing literature is fully reviewed *Not Like I'm Jealous or Anything* Marissa Walsh, 2007-12-18 We've all been there We've all felt that pang It's hard to stop the green eyed monster once it rears its ugly head We asked 13 writers to share their visions of jealousy and this collection of short stories essays and one poem was their response *Conservative California Girls* Michael Mullaney, 2019-07-08 Lights Camera Action Meet Belinda and Marilyn two conservative fun loving California girls who are damn proud of their conservative beliefs and are very serious about saving America from Commie Liberals while riding around in red convertibles and listening to disco music Belinda and Marilyn are California roommates who want to stop abortion and gay marriage and want to champion the ideas of organizations like the John Birch Society and the Tea Parties They are dead serious about wanting to make Hollywood more conservative and constitutional and wind up meeting famous actors and directors in Hollywood They want to open up a pro life crisis pregnancy center in California to save the lives of innocent helpless babies who are being killed through abortion Belinda and Marilyn want to see the wall built but are also concerned about the unnecessary oppressive domestic spying that Edward Snowden uncovered The conservative California girls meet Antonio a gorgeous charming Italian young man who will help them in their heroic efforts Ditto Richard Gere the very famous handsome actor who chooses one of the California girls to star in a sequel to the awesome film *First Knight* with Sean Connery It was a movie that proved chivalry is not dead and that showed fighting for what is right can be very romantic and even thrilling Read on as Eduardo Verastegui the dashing romantic leading man in the pro life film *Bella* and even George Lucas of *Star Wars* fame get in on the action It is *Three's Company* meets *Michael Savage* If you're tired of people painting conservatives as dull and boring this is the book for you No retreat no surrender Jump in the flashy red convertible and blast the disco music *Conservative California Girls* is the book we've all been waiting for **Lost for 72,000 Miles** P.G.
