

## **MOVIE REVIEW TEMPLATE**

Note: DON'T FORGET that movie titles are written within "quotation marks!"

**HEADLINE:** Include the title of the movie (try to use a pun!)

**PARAGRAPH #1:** Introduce the movie by stating that you've just seen this movie and would like to give an opinion about it. Mention a couple of details that might help the reader understand what type of movie you are talking about.

**PARAGRAPH #2:** Summarize the plot (story). Where and when did it take place? Who are the main characters? What is the story about? Remember, do NOT include spoilers and do not tell how the story ends!

**PARAGRAPH #3:** Talk about the actors/actresses and discuss who did a good job and who didn't.

**PARAGRAPH #4:** Talk about what you liked about the movie and what you didn't like. Be sure to include specific details and scenes.

**PARAGRAPH #5:** What lessons did you learn from this story (theme/moral)? What do you think others will learn from it?

**PARAGRAPH #6:** What group of people would like this movie? Who would you recommend it to? Who would you not recommend it to? What's the MPAA rating of the movie (G, PG, PG-13, R, etc...)? What is your final word on the film: Is it good or bad?

**RATING SYSTEM:** Give the movie a score. You can do grades (A,B,C,D,F+ or -), stars (\*\*\* out of \*\*\*\*\*), numbers (3 out of 5) or something totally original... just don't use "thumbs up" or "thumbs down."

**SHORT BIOGRAPHY:** Explain who you are, what your school level is (freshman, junior, etc.), your job (if you have one), sports you play and interesting things you like to do. Talk about yourself in the "3<sup>rd</sup> person," that is; pretend someone else is writing the bio about you.

How to Write a Book Report Gr. 5-8 Brenda Rollins,2009-09-01 Blend comprehension and creativity skills through book reports with clear and concise instruction Our resource makes book reports fun again while providing instruction on the correct form and mechanics of all book reports Start off by learning what is a book report before delving into the different kinds like science fiction and historical nonfiction Get tips on what to do before you write with graphic organizers for prewriting Identify which books would be good for a fiction book report Get help with the format of a nonfiction book report Find out how to have a great oral book report by following our checklist Finally practice proofreading by reviewing a provided book report Aligned to your State Standards and written to Bloom s Taxonomy reproducible writing tasks crossword word search comprehension quiz and answer key are also included

**How to Make a Book Report, Grades 1-3** Jennifer Overend Prior,1999-06 Gives students an organized responsible and accountable way to do book report writing so that they will be encouraged and stimulated to develop an enjoyment of reading

**Reports and Documents** United States. Congress, How to make content writing your full-time career Bhavik Sarkhedi,2021-08-07 Content writing is one of the trending career options chosen by youngsters nowadays Not only in this fast world but content writing has been a very interesting and known career option for a long time Content writing is the process of writing in various fields like writing blogs and articles scripts for videos or content for a specific platform are many options People follow their passion for writing and get into professional writing for ages Still the struggles were prevalent then and now when this profession is considered by many people around as more like a hobby it gets more prone to floating pieces of advice from everyone here and there To make sure your career in content writing blooms one needs to keep certain things in mind Being a founder of Estorytellers Taletel Kalam Kagaz Write Right different verticals of content writing services there is one thing I have learned Be a passionate storyteller Content writers create written content or writing material for a website according to the guidelines specifically To become a writer it is required to keep learning and polishing your art to keep the passion alive One of the best ways is exploring this field of content writing Alike many other jobs and careers options there are numerous aspirants in the writing field of numerous opportunities as well Current Scenario The current scenario in this field of content writing is pretty impressive which many people are unaware of Today almost all organizations want a team of content writers to write for them and make their brands visible in the market An aspiring writer can apply to work under huge names or can start freelancing which is a great option for establishing yourself in this market of opportunities Since there is always a need for

content writers the professionals from this profession must polish themselves and stand out with their work Writing content is a lot about understanding the client and their needs so at times working out of the comfort zone or niche results beneficial Because similar to the number of opportunities the demands of every different client are different One thing which is the same is that every client every organization wants the content created in a way that the information shared makes them stand out and shine in the crowd of their competitors This is going to continue as the market will always be hustling The financial status for content writing jobs is great As a fresher one can earn ranging from fifteen thousand INR to twenty thousand INR per month and it grows gradually in particular intervals Even in freelancing the salary turns out to be a good amount the amount can be ranging up to fifty thousand INR These are estimated and average amounts but the money earned can vary from company to company and writer to writer

**Report** Chicago. Commission Upon Moving Picture Censorship, 1920 Target in Control Andrzej K. Nowak, Robin R. Vallacher, Agnieszka Rychwalska, Magdalena Roszczyńska-Kurasińska, Karolina Ziembowicz, Mikołaj Biesaga, Marta Kacprzyk-Murawska, 2020-02-26 This concise monograph introduces and examines social influence from the perspective of the so called target rather than from the source thus providing for the first time a bidirectional account of this pervasive social phenomenon further bridging simple micro level dyadic interaction rules with macro level properties of the social system This integrative approach allows for advanced models of influence to be developed in both the social and natural sciences e.g. social animals In particular when used to investigate emergent properties of social change this approach shows that social transitions occur as bubbles of new in the sea of old While in the traditional view influence is synonymous with achieving power and control over others the present approach to social influence puts the emphasis on the target's motives and strategies Here the target may actively seek out influence to help forge opinions and achieve guidance regarding courses of action In this process the target observes others models their thought and behavior and asks for information and opinions In this broadened perspective the processes of social influence enables those being influenced the targets to use the knowledge and processing capacity of influence sources to maximize their access to information minimize their processing effort while optimizing their own functioning and that of the social system in which they evolve This short text addresses above all scientists interested in social influence in the fields of psychology sociology economy marketing and biology However also researchers interested in modeling social processes especially opinion dynamics and social change such as computer scientists physicists and applied mathematicians will benefit from the insights provided **PAIS Bulletin**, 1919
