**Sorry Time** Anthony Maguire, 2017-04-26 You're driving along a lonely outback road when suddenly a kangaroo leaps out in front of you Your car is wrecked and then things rapidly go downhill from there as you find yourself under attack from a pack of wild dogs Having survived that you cross bloody paths with a pair of violent criminals who've murdered two people on a remote Aboriginal community And then things go REALLY pear shaped

as you find yourself caught up on a rollercoaster of bloody revenge that takes you to the other side of the globe and to the edge of madness Sorry Time is a breakneck story that offers a rich and entertaining reading experience and will travel well to film You ll meet a cast of memorable characters like Glen of the Outback who claims to be the man in the orange T shirt in a David Bowie clip and rat faced mortuary attendant Mal Kite who runs a profitable sideline stealing valuables from bodies And last but not least the villain of the piece Ali Fazir a meth addict with a penchant for beheading The story is steeped in an ominous occult sub current as Dreamtime spirits lash out after the removal of a fabulous opal from an Aboriginal burial ground
