Beginning Windows 8.1 Mike Halsey, 2013-10-14 Windows 8 has been described by Microsoft as its boldest Windows release ever and the 8.1 update enhances the paradigm further. *Beginning Windows 8.1* takes you through the new features and helps you get more out of the familiar to reveal the fullest possibilities for this amazing new operating system. You will learn with non-technical language used throughout how to get up and running in the new Windows interface, minimize downtime, maximize productivity, and harness the features you never knew existed to take control of your computer and enjoy the peace of mind and excitement that comes with it. From tips and tweaks to easy-to-follow guides and detailed descriptions, this book takes you inside Windows 8.1 to discover the true power and flexibility that lies within and guides you at your own pace through getting the very best from it. What you'll learn: About the ins and outs of the Windows 8 interface and its new features; How to personalize your Windows experience to give trouble-free performance; How to use your computer to connect to devices and services in the home, at work, and on the move; How to maximize your productivity with Windows 8; How to secure and configure Windows 8 to guarantee a safe and secure experience; How to use hack and manipulate Windows to enable advanced customization. Who this book is for: *Beginning Windows 8.1* is for people new to Windows or who just want to get up to speed with Windows 8. This book also can help people who already know how to perform routine tasks learn how to get more out of Windows, their computer, and their time. Whether you want to get up and running with Windows 8 or want to go to the next level and learn useful ways to minimize problems, maximize performance, and optimize your overall Windows experience, this book is for you. Table of Contents: Introducing Windows 8.1; Finding your Way Around Windows 8.1; Connecting, Sharing with Family and Friends; Organizing and Searching Your Computer; Printing and Managing Printers; Having Fun with Games, Photos, Music, and Video; Maximizing Your Productivity; Personalizing Your Windows Experience; Making Windows 8.1 More Accessible and Easier to Use; Keeping Yourself, Your Files, and Your Computer Safe; Maintaining and Backing up Your Computer and Files; Advanced Configuration and Customization; Getting Started with Virtualization; Installing Windows 8.1 on Your Computer; Appendix A; Appendix B; Appendix C; Appendix D. [Beginning Windows 10](#) Mike Halsey, 2015-10-13 *Beginning Windows 10* takes you through the new features of this amazing new operating system, revealing some of its surprising capabilities and helping you customize it to suit you. Whether you are new to Windows or you want to get up to speed with the latest features and changes, this book has everything you need to get started. Author Mike Halsey shows you how to create an environment for school work and play that puts the important things at your fingertips while combining them in ways you never thought possible. Learn how to carry your personalized Windows experience with you as part of your Microsoft account instead of having it tied to one device while also keeping everything safe, secure, and backed up so you can enjoy peace of mind with your new PC. With the right start, your PC can become a tool that works for you, not against you, and leaves more of your time and energy free for the things that matter to you. *Beginning Windows*

File Management Made Simple, Windows Edition Joseph Moran,2015-11-24 Managing data is an essential skill that every PC user should have Surprisingly though a large number of users even highly experienced users exhibit poor file management skills resulting in frustration and lost data This brief but invaluable book File Management Made Simple can resolve this by providing you with the skills and best practices needed for creating managing and protecting your data Do any of the following scenarios sound familiar to you You ve downloaded an attachment from your e mail but aren t sure where you downloaded it to You spent an entire evening working on a document only to discover the next morning that you didn t save it to your flash drive like you thought you had Maybe you had a guest visiting and wanted to share with them the pictures you took of your kids recital yet when you went to get them you were unable to recall where you stored them on your PC Or you scanned your receipts for your expense reports on day and came back the next day and scanned some for another report only to find that the new ones numbered Scan 1 Scan 2 still exist Unfortunately for a vast number of PC users scenarios like these are all too common These situations are not only extremely frustrating for the user but also tend to discourage them from ever wanting to touch a PC again Why is that What is the common factor It s simple really Each of these issues can be attributed to poor file management skills In my experience the people with the worst file management skills are simply the ones that lack an understanding of how to navigate the Windows operating system However this situation can be easily rectified And once you can successfully navigate your computer s drive and folder structure you ll be hard pressed to misplace anything Although this process can seem daunting to the uninitiated this isn t

black magic In fact it s actually quite simple Keeping your files and folders organized on the computer is no more difficult than keeping them organized in real life There is a place for everything and everything has its place We will show you how to navigate Windows correctly and efficiently Where specific types of files should be stored We ll also show you how best to name and manage your files such as using descriptive folders to identify files implementing the best naming conventions for files and directories and how to group various types of data together ensuring that the data you need is always readily available Finally we ll introduce you to some of the best options for transporting and protecting your data We will show you the skills you need to easily manage your data using clear and simple English without the confusing technical jargon All this and more can be accomplished with File Management Made Simple by your side
