

Score Page

How to Score Your Graphs...

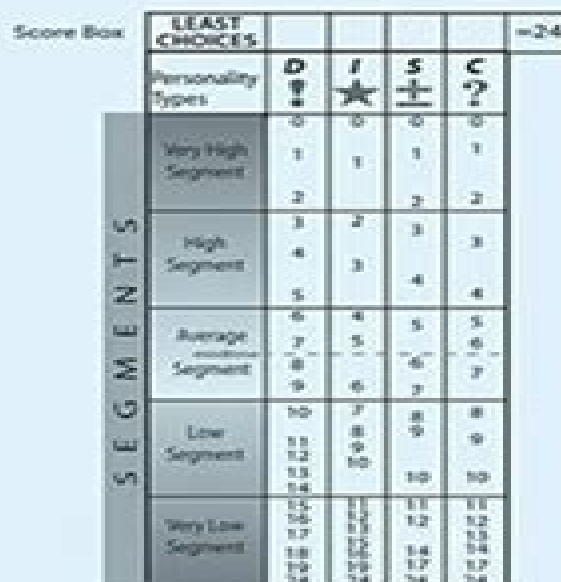

NOTE: To begin using this **SCORE PAGE**, transfer your **MOST** and **LEAST** responses from your blue answer sheet score boxes to the **MOST Choices** and **LEAST Choices** score boxes below. The blue answer score sheet (Style Analysis Results sheet) is attached and glued to the white Style Analysis Questionnaire sheet on the inside of this **SCORE PAGE** document. When counting up all of your symbols on the blue answer sheet please make sure you have made **24 MOST** and **24 LEAST** responses. After you have entered your numbers in the boxes below please do the following actions:

In **GRAPH I** (below, on the left), in the "D" column, circle the number that corresponds to the number of D's that you entered in the **MOST Choices** score box above it. Then repeat the process for the I, S, and C columns. (Note: If your exact number does not appear in the graph, circle the next lower number.)

In **GRAPH II** (below, on the right), in the "D" column, circle the number that corresponds to the number of D's that you entered in the **LEAST Choices** score box above it. Then repeat the process for the I, S, and C columns. (Note: If your exact number does not appear in the graph, circle the next lower number.) In each graph, connect the circles you created with a straight line, from the left to right, as shown in the sample graph (right).

Graph I - Environment Style
(How People See You)

Graph II - Basic Style
(The Real You)
