Matriarchy Redux The Ins And Outs:

Matriarchy Redux Dov Ivry, 2014-12-29 These are excerpts from the beginning I write books on the Matriarchal Revolution This is my sixth non fiction on that topic It is actually the companion to the fifth book Matriarchy Redux Off The Deep End My thesis is that the wrong sex is running the planet running it into the ground actually and that has to be changed This will take a revolution It won t happen today or tomorrow or for a very long time but if you don t start talking about it it won t happen at all Of the two sexes woman is the only one with a track record of success having brought us from the caves to civilization singlehandedly without violence They ll display the same level of managerial competence in the future New types of societies require new types of people It s a chicken and egg situation but I think it is clear that the egg comes first the stimulus This has happened time and again throughout history Lewis Mumford The human personality may produce an effect out of all proportion to its physical powers just as a tiny seed crystal dropped into a saturate solution may cause the whole mass to assume a similar crystalline form This casts a further light on the means by which a new type of personality Confucian Buddhist Christian Mohammedan Marxist gathers to itself sufficient powers to overcome the normal resistances to wholesale change that every society exhibits At moments of crises where the roads to disintegration or to development separate as on a watershed a single decisive personality or a small group of informed and purposeful men may by a slight push determine the direction and movement of an otherwise uncontrollable mass of conflicting social forces At such moments not a single institution or group but a whole society will be involved in a change far beyond its ordinary capacities for adaptation The point to observe is that what science calls nature or the external world is partly a projection of the human personality Instead of beginning with the nature and eliminating as far as possible the operations of the personality we must begin with the human personality Since the type of people who will make the Matriarchal Revolution do not yet exist I am really writing for no one in particular among the living But that too is par for the course in this kind of enterprise Thomas Carlyle Every new opinion at its starting is precisely a minority of one In one man s head alone there it dwells as yet In promoting revolution you are very much like the guy who sold Jack seeds for a magic beanstalk in return for his cow except that you are not asking anyone for his cow and you can t prove that the seeds will grow the magic beanstalk Leaving aside national uprisings and rebellions of that sort in most cases those promoting fundamental change in society out of the blue are offering rewards to the individual such as a chance to get rich quick or an extended life of ease in another galaxy Upheavals happen but the big picture doesn t change humanity continues its slide to oblivion The only honest offer I can make is the by now prosaic blood sweat and tears You have to appeal to rationality but the issues are anchored in the irrational and language doesn t go there Essentially all you can do with your seeds is pollinate even though you will never see what takes root But as we Canadians learn from a young age you can t score unless you shoot Committed Christians believing Muslims and Orthodox Jews should not proceed into my books on this subject Religion is the enemy and it is in the crosshairs

Matriarchy is based on mother right The society is built to revolve around the needs of mothers Feminism for the past half century has been focused on the slaughter of the unborn Feminists also have nothing to seek here They would not gain admittance to the matriarchal movement **Dixie Redux** Raymond Arsenault, Orville Vernon Burton, 2013-10-15 Dixie Redux Essays in Honor of Sheldon Hackney is a collection of original essays written by some of the nation's most distinguished historians Each of the contributors has a personal as well as a professional connection to Sheldon Hackney a distinguished scholar in his own right who has served as Provost of Princeton University president of Tulane University and the University of Pennsylvania and the chairman of the National Endowment for the Humanities In a variety of roles teacher mentor colleague administrator writer and friend Sheldon Hackney has been a source of wisdom empowerment and wise counsel during more than four decades of historical and educational achievement His life both inside and outside the academy has focused on issues closely related to civil rights social justice and the vagaries of race class regional culture and national identity Each of the essays in this volume touches upon one or more of these important issues themes that have animated Sheldon Hackney's scholarly and professional life The Matriarch Witi Ihimaera, 2013-07-24 In keeping with his commitment to revisit his first five pieces of fiction Witi Ihimaera has reworked the original text of this much loved classic The matriarch is a woman of intelligence wit beauty and ruthlessness and has become a mythical figure through her fight to repossess the land and sustain her people against the ravages wrought by the Pakeha Priestess of the Ringatu faith she has been virtually a law unto herself In his search for the truth behind the legends surrounding the matriarch his grandmother Tama Mahana delves deeper and deeper into Maori history and lore to understand the mysterious sources of her power and ambition Witi Ihimaera's prose is at turns lyrical and spare sensuous and savage Weaving fact with fiction this remarkable odyssey into New Zealand history is a novel of stunning imaginative power Also available as an eBook Winner of the Wattie Book of the Year 1986 Runner up for the Commonwealth Writers Prize 1987 Witi Ihimaera's uncompromising masterwork A profound and spellbinding character study New Zealand Herald *Comedy and Feminist Interpretation of the Hebrew Bible* Melissa Jackson, 2012-07-26 This book explores the Hebrew Bible for evidence of comedy and further asks how reading the Hebrew Bible through a comic lens might positively inform feminist interpretation The exploration is conducted with a number of Hebrew Bible narratives all of which prominently involve female characters African American Life in South Carolina's Upper Piedmont, 1780-1900 W. J. Megginson, 2022-08-03 A rich portrait of Black life in South Carolina's Upstate Encyclopedic in scope yet intimate in detail African American Life in South Carolina's Upper Piedmont 1780-1900 delves into the richness of community life in a setting where Black residents were relatively few notably disadvantaged but remarkably cohesive W J Megginson shifts the conventional study of African Americans in South Carolina from the much examined Lowcountry to a part of the state that offered a quite different existence for people of color In Anderson Oconee and Pickens counties occupying the state's northwest corner he finds an independent brave and stable subculture that persevered for

more than a century in the face of political and economic inequities Drawing on little used state and county denominational records privately held research materials and sources available only in local repositories Megginson brings to life African American society before during and after the Civil War Orville Vernon Burton Judge Matthew J Perry Jr Distinguished Professor of History at Clemson University and University Distinguished Teacher Scholar Emeritus at the University of Illinois provides a new foreword

Sitcom Queens Michael Karol,2006-07 Whether it was Lucy and Ethel Lucille Ball and Vivian Vance or Eve Arden as Miss Brooks Gale Storm as her dad s little Margie always interfering but with the best of intentions or the more modern Bea Arthur as Maude flaunting the conventions of how a woman was supposed to behave we all have our favorite funny ladies who brought us laughter every week and for a half hour at least took us away from our daily problems Classic TV expert Michael Karol in a series of original essays examines the roles these Sitcom Queens played on TV and how they became the beloved TV icons of generation after generation of TV fans With a sitcom timeline and a Top 10

The Doubled Life of Dietrich Bonhoeffer Diane Reynolds,2016-03-11 Few twentieth century theologians have had a bigger impact on theology than Dietrich Bonhoeffer a man who lived his faith and died at the hands of the Nazis For Bonhoeffer the theological was the personal life and faith deeply intertwined and to this day the world is inspired by that witness Yet the true story of the women in this remarkable man s life has until now been obscured by a conventional narrative that has distorted their role Using primary source material by the women and even including the first ever photo of alleged first fiancée Elisabeth Zinn this book sees these women fully for the first time A highly readable but scholarly work of narrative nonfiction The Doubled Life places Bonhoeffer s theology of love and sexuality within the context of his struggles with women friendship and the evils of Nazi Germany

All Societies Die Samuel Cohn,2021-04-15 In *All Societies Die* Samuel Cohn asks us to prepare for the inevitable Our society is going to die What are you going to do about it But he also wants us to know that there s still reason for hope In an immersive and mesmerizing discussion Cohn considers what makes societies throughout history collapse *All Societies Die* points us to the historical examples of the Byzantine empire the collapse of Somalia the rise of Middle Eastern terrorism the rise of drug cartels in Latin America and the French Revolution to explain how societal decline has common features and themes Cohn takes us on an easily digestible journey through history While he unveils the past his message to us about the present is searing Through his assessment of past and current societies Cohn offers us a new way of looking at societal growth and decline With a broad panorama of bloody stories unexpected historical riches crime waves corruption and disasters he shows us that although our society will inevitably die at some point there s still a lot we can do to make it better and live a little longer His quirky and inventive approach to an end of the world scenario should be a warning We re not there yet Cohn concludes with a strategy of preserving and rebuilding so that we don t have to give a eulogy anytime soon

The Politics of Public Opinion in the Novels of Anthony Trollope Jan

Gordon,2023-01-17 Although public opinion has always existed it becomes an acknowledged political subject in both the Oxford English Dictionary 1864 and the Barsetshire Chronicle and Parliamentary Novels of Anthony Trollope contemporaneously with 1 the penetration of the press into local issues and 2 the entire question of which publics were to be represented Public opinion hence is a composite of parliamentary law making as well as a kind of appellate division for society's social and judicial judgments providing an alternative narrative It differs from gossip in the nineteenth century novel insofar as it contains no instruction manual don't tell anyone who told you but can be manipulated by a variety of new informational platforms to not merely impact but constitute decision making Detached from any unitary authority and often anonymously narrated public opinion like the orphan figure of nineteenth century literature is a discourse discontinuous from history tradition class alignments and foundational origins to become a law unto itself **Gutter Auteur**

Rob Craig,2012-12-01 Grindhouse filmmaker Andy Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the 1960s and 1970s Often mounted as period pieces using costumes sewn by the filmmaker Milligan's gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verite of a lunatic with a home movie camera Yet Milligan's films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction **Outlaw Fathers in Victorian and Modern British Literature**

Helena Gurfinkel,2014-03-27 Outlaw Fathers in Victorian and Modern British Literature Queering Patriarchy traces the representations of outlaw fathers or queer patriarchs and their relationships with their queer sons in a particular literary tradition mid to late Victorian and twentieth century British fiction and memoir Specifically I look at such representations in Anthony Trollope's Doctor Thorne 1858 and The Prime Minister 1875-76 while also drawing on An Autobiography 1883 and The Duke's Children 1880 Samuel Butler's The Way of All Flesh published in 1901 Henry James's The Lesson of the Master 1888 J R Ackerley's My Father and Myself written in the 1930s and published in 1968 E M Forster's Little Imber 1961 with an occasional detour into The Longest Journey 1907 Howards End 1909 and Maurice published in 1971 and Alan Hollinghurst's The Spell 1998 In the coda I consider the implications of including transgender transnational female to male fathers of color in the ranks of queer patriarchy and discuss two contemporary novels Jackie Kay's Trumpet 1998 Scotland and Patricia Powell's The Pagoda 1998 Jamaica and the United States as well as briefly an episode an episode of the television show The L Word 2008 and the documentary U People 2007 The term queer patriarchy has two components The first one is a non traditional primarily but not exclusively non heterosexual pervasively present and culturally important paternal subjectivity The second one is the

bond between such queer paternal figures and their sons biological and non biological This study pays attention primarily to the relationship between psyche language and ideology but it will join a larger conversation about the changing roles of men in general and fathers in particular which is taking place outside of the field of literary studies **The Cambridge**

Companion to Anthony Trollope Carolyn Dever, Lisa Niles, 2010-12-23 Anthony Trollope was among the most prolific popular and richly diverse writers of the mid Victorian period with forty seven novels and a variety of other writings to his name Both a serial and series writer whose novels traversed Ireland England Australia and New Zealand and genres from realism to science fiction Trollope also published criticism short fiction travel writing and biography The Cambridge Companion to Anthony Trollope provides a state of the field review of critical perspectives on his work with the volume s sixteen essays addressing Trollope s biography autobiography canonical fiction short stories and travel writing as well as surveying diverse topics including gender sexuality vulgarity and the law Faith and Feminism in Pakistan Afiya S.

Zia, 2017-11-30 Are secular aims politics and sensibilities impossible undesirable and impracticable for Muslims and Islamic states Should Muslim women be exempted from feminist attempts at liberation from patriarchy and its various expressions under Islamic laws and customs Considerable literature on the entanglements of Islam and secularism has been produced in the post 9 11 decade and a large proportion of it deals with the Woman Question Many commentators critique the secular and Western feminism and the racialising backlash that accompanied the occupation of Muslim countries during the War on Terror military campaign launched by the U S government after the September 11 attacks in 2001 Implicit in many of these critical works is the suggestion that it is Western secular feminism that is the motivating driver and permanent collaborator along with other feminists secularists and human rights activists in Muslim countries that sustains the Wests actual and metaphorical war on Islam and Muslims The book addresses this post 9 11 critical trope and its implications for womens movements in Muslim contexts The relevance of secular feminist activism is illustrated with reference to some of the nation wide working class womens movements that have surged throughout Pakistan under religious militancy polio vaccinators health workers politicians peasants and artists have been directly targeted even assassinated for their service and commitment to liberal ideals Afiya Zia contends that Muslim womens piety is no threat against the dominant political patriarchy but their secular autonomy promises transformative changes for the population at large and thereby effectively challenges Muslim male dominance This book is essential reading for those interested in understanding the limits of Muslim womens piety and the potential in their pursuit for secular autonomy and liberal freedoms *Fiction Catalog* H.W.
