Evenhanded and unbiased, Matt Richards and Mark Langthorne's account is rich with detail, including the specific cocktail of drugs employed in an attempt to keep Jackson alive and the harrowing conditions in which the troubled genius's life ended. Included as well is the story of the legal struggle for control of Jackson's assets that followed his death, where Richards and Langthorne report that the combined earnings of Jay Z, Taylor Swift and Kanye West since Michael Jackson died come nowhere near the revenues Jackson has earned for his estate after his death. Written with documentary flair, this powerful and compelling book is already emerging as the definitive account of one of the darkest hours in music history.

Target Concha Calleja, 2020-11-20 **THE NEWEST AND HIDDEN VISION OF THE KING OF POP** In the early morning of June 25, 2009, Michael Jackson's doctor enters his room and finds him out of breath. His pulse is barely detectable. Hours later, his death is declared at UCLA Ronald Reagan Medical Center, and the news goes around the world. The Michael Jackson case was so famous that no one knows about it. That is the answer that the author gives to why she has been involved in the investigation of what could happen that night. The official version does not suit her. The results of her investigations make up this volume, where she lets us see Jackson's profile and the psychological autopsy she performs under the strange mysteries of his death. In this book, Calleja opens a meticulous investigation in which the reader can solve at the same time the unknowns that remain unanswered ten years after his death. What if the doctor convicted of involuntary homicide was not the culprit of the death of Jackson? What if the homicide was not involuntary? Who is behind his death? Who did it benefit? Was he worth more dead than alive? And fundamentally, who was really Michael Jackson? From the hand of the author, the reader will know the forensic testimonies, the federal police and judicial evidence, the economic data, and will see the images, the graphics, and the unpublished documents in her archive. Everything at your disposal to give your verdict. A case that is still alive, a goal and a mystery that continues to move the world. Because Michael Jackson is regardless of who it weighs more news than ever.

Whitaker's Cumulative Book List, 1973 *Who's Who in America* Marquis Who's Who, Inc., 2002 Unmasked Ian Halperin, 2009-07-13 1 NEW YORK TIMES BESTSELLER In late December 2008, Ian Halperin told the world that Michael Jackson had only six months to live. His investigation into Jackson's failing health made headlines around the globe. Six months and a day later, the King of Pop was dead. The planned London concerts would have earned millions for the singer and his entourage, but he could never have completed them, not mentally and not physically. Michael knew it, and his advisers knew it. Anyone who caught even a fleeting glimpse of the frail 50-year-old hiding beneath the costumes and cosmetics would have understood that the London tour was madness. Why did it happen this way? After an intense five-year investigation, New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson's final years.

Was Michael Jackson Murdered? You be the Judge Everett Watson, 2019-09-19 *Was Michael Jackson Murdered? You Be the Judge* By Everett Watson *Was Michael Jackson Murdered? You Be the Judge* was inspired by the late pop

star's untimely death and the controversy surrounding it. Looking into his death drove the author to produce a movie called *The Murder of Michael Jackson: The Perfect Murder*. In this book, Everett Watson provides all the evidence he found that shows incontrovertible evidence that Michael Jackson's death wasn't an accident or suicide but premeditated murder. *The Trials of Michael Jackson* Lynton Guest, 2020-07. News of Michael Jackson's appearances in court on paedophile charges in 2005 was broadcast to hundreds of millions of people around the world. Everyone had opinions about the testimony and the witnesses as the drama was played out in the small town of Santa Maria in California. This book not only tells the story of that trial but of what was secretly going on behind the scenes, a far more important and mysterious tale than that unfolding in the courthouse. *The Trials of Michael Jackson* reveals the sensational events which led to the downfall of a megastar at the hands of the mighty Sony company and an obsessive but compliant prosecutor. Using previously unpublished material, personal interviews and evidence gathered during research on three continents, Lynton Guest uncovers the truth about the bitter feud between one of the biggest corporations in the world and pop music's greatest legend. *The Trials of Michael Jackson* is a roller coaster ride from the ashes of a defeated Japan in 1945 to the twenty-first century celebrity culture which now spans the globe. It provides the most authoritative look yet at the music business and its extreme excesses over the last forty years. But more than anything else, *The Trials of Michael Jackson* shows how the man who gave us *Thriller*, the biggest selling record of all time, was hunted down and all but destroyed by forces beyond even his control. The death of one of the planet's greatest legends in June 2009 has generated unprecedented speculation, rumour and controversy. There are more questions than answers, and the report by the Los Angeles coroner in August 2009 means that Jackson's death is now officially a homicide. Is there a hidden agenda between Dr Conrad Murray, his paymasters AEG Live and Sony Corporation? Why was Propofol, a powerful anaesthetic, administered to Michael Jackson by Dr Murray? What is Philip Anschutz's involvement in Jackson's death? Was Michael Jackson worth more dead than alive? These questions are only a few raised by Lynton Guest in this hard-hitting Second Edition in his quest to seek the truth in *The Trials of Michael Jackson*. **Remember the Time** Bill Whitfield, Javon Beard, 2014-06-03. A compellingly candid memoir that details Jackson's life in seclusion by the bodyguards who were with him in his final days, with a new introduction to commemorate the tenth anniversary of Michael Jackson's death. Hounded by the tabloid media driven from his self-made sanctuary Neverland, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion, a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie, both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired and to keep everyone else out, making them the only two men who know what 60 million fans around the world still want to know: What really happened to the King of Pop? Driven by a desire to show the world who Michael Jackson truly was, Whitfield and Beard have produced the only definitive first
